**Insurance – Home Office Credit Ended December 31, 2020**

The Home Office credit as defined in Nevada Revised Statute ("NRS") 680B.050 ended on December 31, 2020, however, the credit may still be used for certain filing periods and returns.

Taxpayers previously issued a 2020 estimated Home Office credit amount based on the previous year's Ad Valorem may apply the Home Office Credit to the 2020 Insurance Premium Tax Reconciliation or the 2020 Industrial Insurance Reconciliation.

The qualified Home Office Companies will not receive a 2021 credit notice and will not be able to utilize the Home Office Credit on the 2021 quarterly returns as well as the 2021 Reconciliation.
