Values Certified by the Nevada Tax Commission October 5, 2015

Notice of Valuation

On October 5, 2015, the Nevada Tax Commission met to consider testimony and evidence placed before it regarding the value of properties of an interstate or intercounty nature. Bulletin No. 199-A presents the 2015-2016 valuation of each taxpayer owning or controlling car lines as well as unsecured property, property escaping taxation, and twelve-month construction-work-in-progress (CWIP) assessed values.

Car lines: In accordance with NRS 361.320, the Commission established the assessed value of the properties listed in this Bulletin, after weighing all the evidence and in consideration of all applicable elements of value.

Property Escaping Taxation: In accordance with NRS 361.325, the Commission must place "on the assessment roll of any county property found to be escaping taxation coming to its knowledge after the adjournment of the state board of equalization."

Unsecured Property: In accordance with NAC 361.4685, unsecured property includes property of an unscheduled or charter air carrier that is not domiciled in Nevada. In addition, the Department has placed certain unscheduled or charter Nevada-based air carriers on the unsecured tax roll when it is unclear whether the carrier conducts business in Nevada on a regular basis. (See, NRS 361.505(1)).

Twelve-Month Construction Work in Progress (CWIP): All state-assessed companies must submit a report of any construction work in progress on or before the 1st Monday in September. Pursuant to NRS 361.321 (2) (b), CWIP must be added to the central assessment roll for supplemental tax bills for the current fiscal year. Values contained in this Bulletin reflect CWIP during the period July 1, 2014 through June 30, 2015.

Each taxpayer was also individually notified of the assessed value of its property established by the Commission.

Payment of Taxes; Penalties

NRS 361.320 (9) requires ad valorem taxes assessed on private car lines be paid on or before December 15th of the current year to the Department of Taxation. There is a 10 day grace period (NRS 361.3205 (3)) after which penalties and interest are applied. A company that fails to pay the tax within the time required shall pay a penalty of 10 percent of the tax due or \$5,000, whichever is greater, in addition to the tax and interest at the rate of 1 percent a month or fraction of a month, from the date the tax was due until paid.

NRS 361.321 (4) requires ad valorem taxes assessed on CWIP be paid by December 15th of the current year to the Department of Taxation. There is a 10 day grace period (NRS 361.3205 (3)) after which penalties and interest are applied.

Failure to pay taxes on other property placed on the unsecured tax roll levied under NRS 361.320 or NRS 361.321 when due will result in a penalty of 10 percent of the tax due. Interest shall also be added to the tax due at the rate of 1 percent a month or fraction of a month, from the date the tax was due until paid pursuant to NRS 361.3205.

Failure to receive an individual tax bill does not excuse the taxpayer from the timely payment of taxes (NRS 361.480 (3)).

Protest Procedures

Pursuant to NRS 361.403, any state-assessed property taxpayer claiming overvaluation or excessive valuation of its property or any representative of any local government entity or the department of taxation claiming undervaluation, overvaluation or nonassessment of any property as established by the Nevada Tax Commission (NTC), is entitled to a hearing before the State Board of Equalization. Taxpayers desiring to appeal the valuations certified by the NTC must appeal directly to the State Board of Equalization no later than January 15th of the year following certification by the NTC (total timeframe: approximately 3 ½ months). Payment of any taxes due and owing must still be made; however, checks should be marked "paid under protest."

The appeal must be initiated by written petition. A petition form may be obtained from the Department website at:

http://tax.nv.gov/Boards/State_Board_of_Equalization_Forms/State_Board_of_Equalization_Forms/and select Taxpayer Direct Appeal -revised 20151120.

Total Twelve-Month CWIP Assessed Value	90,779,686	275,561,216

These values DO NOT include unitary values for property of an interstate or intercounty nature. Unitary values may be found in the front section of this publication.

Pursuant to NRS 361.321, construction-work-in-progress (CWIP) must be included on the central assessment roll.

Twelve Month Construction Work in Progress (CWIP) Calculation of Assessed Value Demonstration

The Department prepares assessments on property of an interstate or intercounty nature, including any new construction representing a net addition to property as distinguished from an addition of property exempt from taxation, a replacement or repair (NRS 361.321). The assessments are based on reported net additions or growth from July 1, 2015 through June 30, 2016. The assessed value is calculated as follows:

(Reported net addition) times (the cost-to-value ratio) times (level of assessment) equals (assessed value).

Reported net additions are provided by each company.

The cost-to-value ratio for each industry is as follows:

COST TO VALUE RATIO BY INDUSTRY

	CV Ratio	CV Ratio	CV Ratio
Industry	2014-15	2015-16	2016-17
Airline	0.6807	0.8079	0.8077
Electric	0.9466	0.9716	0.8995
Gas-Distribution	0.6874	0.6918	0.6662
Gas-Pipeline	0.8615	0.8419	0.8287
Railroad	0.5119	0.5628	0.6106
Telecommunication	1.0000	1.0000	0.8308

The level of assessment for all property equals 35%.

Thus, a Telecommunication company reporting \$1,000,000 of new additions would have the following calculation:

 $(\$1,000,000) \times (0.8308) \times (35\%) = \$290,789$ assessed value for 6 month CWIP.
