## RESULTS

## Background

The Real Property Transfer Tax (RPTT) is collected in each County when deeds<sup>1</sup> are presented for recording, with some exceptions<sup>2</sup>. Tax rates vary in each County<sup>3</sup> and range from \$1.95 to \$2.55 per \$500 of value<sup>4</sup> or fraction thereof. The amounts collected are then distributed to various funds at the County and State levels. The statutes related to RPTT are contained in Nevada Revised Statutes (NRS) Chapter 375. The regulations for the tax are contained in Nevada Administrative Code (NAC) Chapter 375. For a more complete description of the tax, please refer to the next section, Administration of the Real Property Transfer Tax.

<sup>&</sup>lt;sup>6</sup> Per NRS 375.023, the tax rate includes \$1.30 per \$500 of value or fraction thereof for the State General Fund. The amount in the table is net of the Collection Allowance per NRS 375.023(4).

<sup>&</sup>lt;sup>7</sup> Per NRS 375.023(4), Counties are entitled to 1% of the State's \$1.30 portion of the taxes collected to defray the County's administrative costs associated with the tax.

<sup>&</sup>lt;sup>8</sup> Per NRS 375.020, the tax rate includes \$0.65 per \$500 of value or fraction thereof. Of this amount, \$0.55 (NRS 375.070(1)(c) is distributed to the Local Government Tax Distribution Account, where it is combined with the proceeds of other taxes and becomes part of the Consolidated Tax or CTX (See NRS 360.660). The CTX is ultimately distributed back to Counties. The remaining \$0.10 (NRS 375.070(1)(a) is distributed to the State administered Low-Income Housing Program created per NRS 319. In Clark County, an additional \$0.60 is added which is distributed to the Clark County School District per NRS 375.070(1)(b).

<sup>&</sup>lt;sup>9</sup> Ultimately distributed to the County School District. See previous note.

<sup>&</sup>lt;sup>10</sup> Ultimately distributed to the State account for Low-Income Housing, created pursuant to NRS 319.500. See Note 8.

<sup>&</sup>lt;sup>11</sup> The Local Government Tax Act (LGTA) was passed in 1991 and can be found in the Special Acts section at the following link. <a href="https://www.leg.state.nv.us/SpecialActs/59-LocalGovernmentTax1991.html">https://www.leg.state.nv.us/SpecialActs/59-LocalGovernmentTax1991.html</a>. See Section 32. Also see the updated LGTA of 1993. This act allows certain Counties, by local ordinance, to levy an additional tax of \$0.10 per \$500 of value or fraction thereof. Currently, only Churchill County and Washoe County levy the tax. The tax is ultimately distributed back to the County through the Tax Distribution Fund.

<sup>&</sup>lt;sup>12</sup> Reported distributions may vary slightly from reported tax totals due to rounding.

The following table shows the distribution of the tax for the FYTD 22-23 (July 1, 2022 to December 31, 2022). The "Level of Government" heading indicates where the tax is ultimately used.

<sup>&</sup>lt;sup>13</sup> Per NRS 375.023, the tax rate includes \$1.30 per \$500 of value or fraction thereof for the State General Fund. The amount in the table is net of the Collection Allowance per NRS 375.023(4).

<sup>&</sup>lt;sup>14</sup> Per NRS 375.023(4), Counties are entitled to 1% of the State's \$1.30 portion of the taxes collected to defray the County's administrative costs associated with the tax.

<sup>&</sup>lt;sup>15</sup> Per NRS 375.020, the tax rate includes \$0.65 per \$500 of value or fraction thereof. Of this amount, \$0.55 (NRS 375.070(1)(c) is distributed to the Local Government Tax Distribution Account, where it is combined with the proceeds of other taxes and becomes part of the Consolidated Tax or CTX (See NRS 360.660). The CTX is ultimately distributed back to Counties. The remaining \$0.10 (NRS 375.070(1)(a) is distributed to the State administered Low-Income Housing Program created per NRS 319. In Clark County, an additional \$0.60 is added which is distributed to the Clark County School District per NRS 375.070(1)(b).

<sup>&</sup>lt;sup>16</sup> Ultimately distributed to the County School District. See previous note.

<sup>&</sup>lt;sup>17</sup> Ultimately distributed to the State account for Low-Income Housing, created pursuant to NRS 319.500. See Note 8.

<sup>&</sup>lt;sup>18</sup> The Local Government Tax Act (LGTA) was passed in 1991 and can be found in the Special Acts section at the following link. <a href="https://www.leg.state.nv.us/SpecialActs/59-LocalGovernmentTax1991.html">https://www.leg.state.nv.us/SpecialActs/59-LocalGovernmentTax1991.html</a>. See Section 32. Also see the updated LGTA of 1993. This act allows certain Counties, by local ordinance, to levy an additional tax of \$0.10 per \$500 of value or fraction thereof. Currently, only Churchill County and Washoe County levy the tax. The tax is ultimately distributed back to the County through the Tax Distribution Fund.

The distribution of the tax for FY22-23 is depicted graphically as follows:

## FYTD 22-23 Tax Distribution (amounts in thousands)

The proceeds allocated to the State General Fund (net of collection allowance) and to Low-Income Housing are ultimately used at the State level. The remaining proceeds are ultimately used at the local government level.

The total tax collected by the County Recorder is posted to various accounts in the County books and records. A portion of the amount collected is retained by the County. The retained amount consists of the collection allowance and School District amount (currently only in Clark County). The remaining portions (Consolidated Tax (CTX), State General fund (net of collection allowance), Low Income Housing, and Local Government Tax Act) are remitted by the County Treasurer to the State Controller for further distribution. CTX is ultimately combined with other taxes and distributed back to the Counties based on statutory allocation formulas. Similarly, the LGTA is combined with other LGTA taxes and distributed back to the Counties. The following flowchart shows the flow of the tax through the various systems. The blue indicates proceeds ultimately used at the State level. The green indicates proceeds ultimately used at the local government level.

See the distribution tables and graph on the prior three pages for amounts distributed per the above flowchart for FY22-23.

## 10-Year History of RPTT Exempt and Non-Exempt Transfers Amount = Number of Transfers

### Reconciliation

Pursuant to NAC 375.400, County Recorders must provide the Department with the following information each month:

- Total number of deeds subject to RPTT during the prior month;
- Total taxes collected during the prior month;
- Total number of exemptions granted by type of exemption;
- Such other information that may be useful in coordinating the collection and administration of the taxes (under this category, a line item on the report form for the total collection allowance that may be retained by the County, based on the General Fund taxes collected during the prior month and the school district portion for Clark County).

Pursuant to NRS 375.023(3), County Treasurers must remit a portion of the amounts collected to the State Controller for distribution to various accounts in the State books and records. Counties retain a portion of the amount collected. See "Distribution of Tax" above for a complete explanation of the distribution.

The Department prepares a quarterly reconciliation of the tax. The Department prepares a workpaper with the expected distribution of the funds, per the Recorder's Report. The expected collection allowance is reconciled to the collection allowance reported by the Recorder. The expected distributions to the State, including CTX, General Fund, Low Income Housing, and LGTA amounts, are compared with the State Controller's records and the County Treasurer remittance reports. Any discrepancies are investigated and brought to the attention of the County Recorder, County Treasurer, or State Controller, as needed. The expected Clark County School District portion is reconciled to the school district amount reported by the Recorder.

During the Department's reconciliation minor differences between the Recorder monthly reports and the State reports are investigated, documented and resolved. Most differences are "timing differences" between periods that do not impact total tax. Occasionally, there are permanent differences such as refunds to taxpayers pursuant to NRS 375.150, NRS 375.290, NRS 375.310 or calculation errors which may impact total tax. Differences amounted to less than 0.05% of the total reported amount and are not considered material for purposes of this report, except as noted below.

Carson City had distribution discrepancies in FY20-21 and FY21-22 which remain uncorrected as of the  $2^{nd}$  Quarter FY22-23 Report date. They are working with the Department of Taxation to correct the discrepancies.

Esmeralda County had distribution discrepancies in FY20-21 and FY21-22 which remain uncorrected as of the  $2^{nd}$  Quarter FY22-23 RPTT report.

For the 1<sup>st</sup> Quarter FY22-23, the expected RPTT revenue transfer from Esmeralda County to the State in October 2022, for portions of the amounts collected in the 1<sup>st</sup> Quarter FY22-23 was \$5,605.69 per County Recorder's monthly RPTT reports for July, August, and September. The actual RPTT revenue transfer by the County Treasurer in October 2022 was \$5,257.11, which was \$348.58 less than expected. In addition, the RPTT revenue received was improperly distributed to the General Fund, Consolidated Tax, and Low Income Housing. The distribution discrepancies for the 1<sup>st</sup> Quarter FY22-23 were corrected as of the 2<sup>nd</sup> Quarter FY22-23.

For the 4<sup>th</sup> Quarter FY21-22, the expected RPTT revenue transfer from Mineral County to the State in July 2022, for portions of the amounts collected in the 4<sup>th</sup> Quarter FY21-22 was \$23,038.67 per County Recorder's monthly RPTT reports for April, May, and June. The actual RPTT revenue transfer by the County Treasurer in

July 2022 was \$21,831.51, which was \$1,207.16 less than expected. In addition, the RPTT revenue received was improperly distributed to the General Fund, Consolidated Tax, and Low Income Housing. These distribution discrepancies were corrected.

The actual RPTT revenue transfer by the County Treasurer in October 2022 was \$11,373.26, which was \$235.52 more than expected. In addition, the RPTT revenue received were improperly distributed to the General Fund. This distribution discrepancy was corrected in the  $2^{nd}$  Quarter FY22-23 RPTT report.

For the 1st Quarter FY22-23, the expected RPTT revenue transfer from Storey County to the State in October 2022, for portions of the amounts collected in the 1<sup>st</sup> Quarter FY22-23 was \$301,279.02 per County Recorder's monthly RPTT reports for July, August, and September. The actual RPTT revenue transfer by the County Treasurer in October 2022 was \$0.00, which was \$301,279.02 less than expected. The quarterly revenue transfer from Storey County of \$301,279.02 was received by the State Controller's office on November 22, 2022, after the issue date of the 1<sup>st</sup> Quarter FY22-23 RPTT report.

For the 2<sup>nd</sup> Quarter FY22-23, the expected RPTT revenue transfer from Storey County to the State in January 2022, for portions of the amounts collected in the 2<sup>nd</sup> Quarter Fy22-23 was \$489,108.00. The actual RPTT revenue transfer by County Treasurer in January 2023 was \$529,108, which was \$40,000.00 more than expected. Storey County reviewed the supporting documentation and they are correcting the discrepancy.

# ADMINISTRATION OF THE REAL PROPERTY TRANSFER TAX

## Authority and Oversight

The 20th Special Session of the Nevada State Legislature in 2003 instituted the passage of Senate Bill 8, which authorized an additional tax rate for the State General fund and gave the Department of Taxation administrative authority and oversight. The Department is required by NRS 375.019 to coordinate the collection and administration of the tax. The Nevada Tax Commission adopted regulations governing the Department's authority and oversight as well as the reporting of the Real Property Transfer Tax (RPTT) on March 1, 2004. Refer to NAC 375.400, 410, and 420.

### Calculation and Collection of the Tax

The RPTT was originally imposed in 1968. The tax rates were established in NRS 375.020. NRS 375.020 has been amended from time to time. The current rate is \$0.65 per \$500 of value, or fraction thereof, for Counties whose population is less than 700,000. The base rate in all Counties of \$0.65 is segregated between County revenue<sup>30</sup> (consolidated tax \$0.55) and State revenue<sup>31</sup> (low-income housing \$0.10). For any County whose population is 700,000 or more, the rate is \$1.25 per \$500 of value or fraction thereof. The only County eligible for the higher rate at the current time is Clark County. The additional \$0.60 per \$500 of value, or fraction thereof, imposed in Clark County is dedicated to the Clark County School District fund for capital projects.

The Local Government Tax Act (LGTA) of 1991 provides an optional tax levy, if County commissioners approve an ordinance to impose a Real Property Transfer Tax, of up to \$0.10 for each \$500 of value or fraction thereof. Currently, only Churchill County and Washoe County impose an additional \$0.10 levy.

NRS 375.026, passed by the Legislature in 2003, provides for the imposition of an additional levy of \$0.05 per \$500 of value or fraction thereof. The taxes so levied are for use in the Plant Industry Program as required by NRS 561.355. To date, no counties have levied any taxes for this program.

Finally, NRS 375.023 provides for the imposition of \$1.30 per \$500 of value or fraction thereof for the State General Fund.

<sup>&</sup>lt;sup>30</sup> The County Revenue is based on \$0.55 per \$500 of value, or fraction thereof, and is part of the Consolidated Tax.

<sup>&</sup>lt;sup>31</sup> The State Revenue is based on \$0.10 per \$500 of value, or fraction thereof, and is part of the Low Income Housing program created pursuant to NRS 319.

The following table shows each component of RPTT and when it was implemented.

| Entity             | Component Type     | Effective Date | Rate (per \$500) | Total Rate |

### Collection Allowance

Pursuant to NRS 375.023(4), counties are entitled to deduct and withhold a collection allowance for the cost of collecting the tax. Per the 2005 Legislative Session, all Counties may deduct 1% of the State's portion of the taxes collected.

The collection allowance is retained by the County and deducted from the amount remitted to the State.

### Distribution of the Tax

All components of the Real Property Transfer Tax, net of the collection allowance, are transmitted to the State Controller, with two exceptions. The first exception is the Plant Industry Program. If and when any taxes are levied for the Plant Industry Program, they must be transmitted directly to the State Treasurer. The second exception is the school district component levied in Clark County, which is transmitted directly to the Clark County Treasurer for ultimate distribution to the School District.

NRS 375.070 requires the tax imposed by NRS 375.020 (the \$0.65 per \$500 of value of fraction thereof) to be transmitted to the State Controller at the end of each quarter. Some counties transmit on a monthly basis and in turn receive back a monthly distribution of the consolidated tax (CTX) component (the \$0.55 per \$500 or fraction thereof). The remaining Low-Income Housing component (\$0.10 per \$500 value or fraction thereof) is distributed to the State housing program.

The State Controller distributes the tax represented by the CTX component to the Local Government Tax Distribution Account, where it is combined with the proceeds of other taxes and becomes part of the Consolidated Tax distribution (CTX) administered by the Department of Taxation pursuant to NRS 360.660. The remaining \$0.10 of the \$0.65 is distributed by the State Controller to the account for Low-Income Housing, created pursuant to NRS 319.500.

The Real Property Transfer Taxes collected pursuant to the Local Government Tax Act (LGTA) are also transmitted to the State Controller and are distributed to the Intergovernmental Trust Fund which accrues interest. The real property transfer taxes are distributed back to the participating counties, along with the proceeds of other types of taxes collected pursuant to LGTA, by the Department of Taxation.

The taxes collected by counties on behalf of the State are distributed by the State Controller to the State General Fund. The taxes collected on behalf of the State, however, are required to be transmitted within 30 days after the end of the calendar quarter *during which the tax was collected* (NRS 375.023(3). For instance, taxes collected by the County Recorder in January must be remitted to the State Controller no later than April 30. Taxes collected in January may be remitted monthly as other components of the RPTT are transmitted but cannot be remitted later than 30 days after the last day of the calendar quarter.

In all counties the County Treasurer or County Controller is currently responsible for transmitting the taxes to the State Controller, and the transmittal report must reflect the time period when the taxes were actually collected by the Recorder, not when the Treasurer or Controller received the monies from the Recorder. If the State conducts an audit, the period to be audited would be when the monies were first received from the taxpayer ("the collection period"). The collection period must balance to the transmittal reports.
