#### SUPPLEMENTAL REGISTRATION INSTRUCTIONS

Sales/Use Tax — A business which sells tangible personal property at retail or wholesale, and has a physical location in Nevada or enters Nevada to conduct business

**Consumer Use Tax** — This permit allows a Nevada business, not required to hold a Nevada Sales/Use Tax permit, to pay use tax directly to the State on tangible personal property purchased from a vendor not registered to collect Nevada sales tax. Example: Contractors who do not make sales and only purchase building materials for their own use from out of state. All businesses required to register for the State Business License that purchase tangible personal property for storage, use or other consumption in Nevada must also register for use tax. Registering for use tax does not require payment of a fee, nor does it require security.

Certificate of Authority — This permit is available to out-of-state businesses having no jurisdiction or nexus in Nevada. The permit allows an out-of-state business, who is not required to hold a Nevada Sales/Use Tax permit, to voluntarily register in order to collect and remit use tax as a convenience for its Nevada customers. This permit does not require payment of a fee, nor does it require security.

Live Entertainment Tax (LET) — Monthly tax is based on admission charges, merchandise, food and refreshment sales for non-gaming facilities providing live entertainment with maximum occupancy of 200 to 7,499. Monthly tax is based on admission charges only for non-gaming facilities providing live entertainment with occupancy of 7,500 or more. If the maximum occupancy is under 200, no tax liability exists. Maximum occupancy that meets or exceeds 200 must register for the Live Entertainment Tax. Maximum occupancy means the maximum occupancy of the facility as determined by the State Fire Marshal or local governmental agency.

This is your estimated average monthly tax liability. Security is required equal to three times your monthly tax liability for monthly reporting or six times monthly tax liability for quarterly reporting. A security deposit will not be required if the amount calculated does not exceed \$1,000. There is no maximum security. After three full years of perfect reporting, you may apply for a waiver of the security requirement.
