A REGULATION relating to the taxation of tobacco products; establishing procedures for the temporary suspension or permanent revocation of licenses issued by the Department of Taxation relating to the taxation of sales of cigarettes; establishing procedures for the removal of the name of a manufacturer of tobacco products and its brand families from the directory maintained by the Department; revising provisions relating to claims for credits filed with the Department by certain wholesale dealers; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Department of Taxation to temporarily suspend or permanently revoke the license of a wholesale dealer of cigarettes who: (1) fails to file or files inaccurate information with the Department; (2) fails to pay any tax owed on cigarettes required by chapter 370 of NRS; (3) fails to cure any shortfall in escrow payments for which the wholesale dealer is liable; (4) sells in this State, purchases or possesses cigarettes in violation of chapter 370 of NRS; or (5) imports into or exports from this State cigarettes in violation of chapter 370 of NRS. Existing law also authorizes the Department to temporarily suspend or permanently revoke the license of any person who holds a license issued pursuant to chapter 370 of NRS for any violation of the provisions of existing law relating to the taxation of sales of cigarettes. Existing law requires the Department to adopt regulations establishing the procedure for the suspension and revocation of licenses issued pursuant to chapter 370 of NRS relating to the taxation of sales of cigarettes. (NRS 370.250, 370.253) Existing law also requires the Department to maintain a directory of manufacturers of tobacco products who have made current and accurate certifications to the Department concerning the manufacturer and its brand families. Existing law further requires the Department to update the directory and to remove from the directory any manufacturer and its brand families that do not conform to the requirements for listing in the directory. (NRS 370.675)

Sections 2-18 of this regulation establish the procedures for the suspension and revocation of licenses of licensees and the removal of a manufacturer of tobacco products and its brand families from the directory. **Section 7** of this regulation provides that the Department may

issue a notice of intent to suspend or revoke a license of a licensee or to remove the name of a manufacturer of tobacco products and its brand families from the directory if the Department has cause to believe that such action is appropriate. **Section 7** sets forth the required contents of the notice of intent and provides for service of the notice. **Section 7** also provides that, with exceptions, a licensee or manufacturer of tobacco products who receives a notice of intent may, within 10 business days after receipt of the notice, provide evidence to the Department that the licensee or manufacturer is in compliance with all applicable provisions of law. If a licensee or manufacturer of tobacco products does not provide evidence satisfactory to the Department, **section 8** of this regulation provides that the Department may issue a notice of hearing. **Section 8** sets forth the required contents of the notice of hearing and provides for service of the notice of hearing. Additionally, **section 8** provides that upon issuance of a notice of hearing the Department will appoint an administrative law judge to serve as the hearing officer. **Sections 9-15** of this regulation establish the procedures for the conduct of a hearing. **Section 16** of this regulation provides for the filing by a party of a notice of appeal from a decision of a hearing officer. **Section 17** of this regulation provides for a hearing on such an appeal before the Nevada Tax Commission and establishes the procedure for such hearings. **Section 18** of this regulation sets forth the date on which any final order issued by a hearing officer or the Commission must become effective.

Existing law requires the Department to allow a tax credit for products made from tobacco, other than cigarettes, alternative nicotine products and vapor products upon which the tax has been paid and that may no longer be sold. Additionally, existing law requires the Department to allow a tax credit for products made from tobacco, other than cigarettes, alternative nicotine products and vapor products shipped from this State and destined for retail sale and consumption outside the State on which the tax has previously been paid. To claim the tax credit, a wholesale dealer may file a claim with the Department on a form prescribed by the Department. (NRS 370.490) **Section 19** of this regulation provides that the Department will allow the tax credit authorized by NRS 370.490 only to the wholesale dealer who originally reported and paid the tax to the Department. If another wholesale dealer who would otherwise be entitled to claim the credit furnishes certain substantiating evidence to the wholesale dealer who originally reported and paid the tax, **section 19** authorizes the payment between the wholesale dealers of an amount equal to the credit and the filing of an amended return by a wholesale dealer who makes such a payment.
