I WOULD LIKE TO SAY THAT CHAIRMAN DEVOLD STATED EARLY IN THIS PROCESS THAT HE WOULD PLACE THIS ON THIS COMMISSION'S AGENDA AND NEVER DID. WHEN QUESTIONED AT LATER MEETINGS HE STATED THAT THE MATTER WOULD BE SETTLED IN COURT AND THIS COMMISSION WOULD NOT BE ACTING UPON IT.

1. HOW IS IT NOW HE HAS DECIDED THAT THE COMMISSION WILL DECIDE THIS ISSUE WITHOUT ANY REALLY ABILITY OF THE PUBLIC TO COMMENT?

2. MORE IMPORTANTLY HOW IS IT APPLICANTS THAT WERE NOT FULLY COMPLIANT WITH THE APPLICABLE LAW RE: LOCATION AND ADDRESS WERE AND AFRE EVEN BEING CONSIDERED AS BEING ELIGIBLE TO RECEIVE FURTHER CANNABIS LICENSES?

3. HOW IS IT THE LAW RE: MONOPOLIES IS BEING IGNORED BY THE COMMISSION?

SINCERELY
