## NEVADA TAX COMMISSION <br> March 6, 2023

TOPIC: Determination of the amount of personal property to be exempted; that amount that is less than the cost of collecting the taxes.

AUTHORITY: Nevada Revised Statute 361.068 (2), allows the Nevada Tax Commission to exempt from taxation that personal property for which the annual taxes would be less than the cost of collecting those taxes. If such an exemption is provided, the Nevada Tax Commission shall annually determine the average cost of collecting property taxes in this state. This average cost must be used in determining the applicability of the exemption.

EXPLANATION: The Division of Local Government Services of the Department of Taxation conducted a survey of county assessors and treasurers to determine the cost of collecting property taxes in this state during the 2022-2023 fiscal year. The results of the survey are as follows:

- The cost to collect an individual tax bill in all the counties ranges from $\$ 1.19$ to $\$ 22.31$.
- The mean total cost of an individual tax bill is $\$ 8.21$, up from the prior year of $\$ 6.55$.
- The median total cost of an individual tax bill is $\$ 7.94$, up from the prior year of $\$ 6.92$.

## RECOMMENDATION:

Based on the survey and the resulting median and mean costs, the Department recommends that personal property bills of $\$ 10.00$ or less be exempted from taxation by authority of NRS 361.068 (2). This amount will eliminate most personal property billings that are not cost effective. By statute, the billing cost is reviewed annually, and adjustments made as needed.
