WHOLESALE CANNABIS TAX RETURN

Definitions: The following definitions are to be used to determine the classification of the facility relating to the payment of the Wholesale Cannabis Tax.

Cultivation Facility: A "Cannabis Cultivation Facility", as defined in NRS 372A.210, means:

1. A medical cannabis cultivation facility; or
2. An adult-use cannabis cultivation facility.

Affiliate: An affiliate means a person who, directly or indirectly through one or more intermediaries, controls, is controlled by, or is under common control with, a specified person, as defined in Assembly Bill 430.

Affiliate Sale: A sale to an affiliate cannabis facility.

Non-Affiliate Sale: A sale to a cannabis facility of which the cannabis facility does not fall into the category "affiliate".

Tribal Land Sale: A sale to a cannabis facility located in any of the recognized Tribal lands. Tax is not due to the State on these sales.

Product Categories: The following product category standards as established by industry, Taxation and the Cannabis Compliance Board:

- **Small/Popcorn Buds:** Small bud consist of product in the flowering stage equivalent in size to a nickel. *Note: Kief should be reported in this category as 'Small Buds'.*
- **Cannabis Flowers/Buds:** Buds consist of product in the flowering stage.
- **Cannabis Leaves/Trim/Shake:** Trim consists of any part of the plant other than the bud or wet whole plant.
- **Immature Plants:** Immature plants consist of non-flowering plants that are no taller than eight inches and no wider than eight inches produced from cutting, clipping, or seeding.
- **Wet Whole Plant:** Wet Whole Plant is a cannabis plant that has been weighed within 2 hours of the batch being harvested and without any further processing, including any artificial drying such as increasing the ambient temperature of the room or any other form of drying, curing or trimming. Tax must be calculated and paid on the total Wet Whole Plant weight. If the Wet Whole Plant is not weighed within 2 hours of the batch being harvested or is subjected to further processing before being weighed, the excise tax on such plant cannot be calculated and paid on the Wet Whole Plant basis and must instead be calculated and paid at the Bud and Trim rates.
- **Pre-roll:** An individual cannabis cigarette or joint. Pre-rolls must be calculated on the basis of the total weight of cannabis contained in each pre-roll and sold by a cultivator as recorded in the seed-to-sale tracking system, regardless of whether the pre-roll is made by a cultivator or a subsequent cannabis establishment.
- **Unsalable Flower:** Unsalable flower is bud that is designated for the extraction of cannabis concentrate and not for direct sales to consumers.
- **Unsalable Trim:** Unsalable trim consists of trim that is designated for the extraction of cannabis concentrate and not for direct sales to consumers.

Imposition and Amount of Tax on Wholesale Sales:

Per NRS 372A.290, an excise tax is hereby imposed on the first wholesale sale in this State of cannabis by a medical or adult-use cannabis cultivation facility to another cannabis establishment at the rate of 15 percent of:

- a) The fair market value at wholesale of the cannabis if the sale is made to an affiliate of the medical or adult-use cannabis cultivation facility; or
- b) The contracted sales price of the cannabis, if the sale is made to a cannabis establishment that is not an affiliate of the medical or adult-use cannabis cultivation facility.

The excise tax imposed pursuant to this subsection is the obligation of the cultivation facility.

NRS 372A.290 (8)(g) - "Wholesale sale" means the first sale or transfer of cannabis by a cannabis cultivation facility to another cannabis establishment.

The term does not include a transfer of cannabis by a cannabis cultivation facility to another cannabis cultivation facility when both cannabis cultivation facilities share identical ownership.

Product transferred between identically owned cultivation facilities; such transfers are not subject to the imposition of the tax. The *Wholesale Cannabis Supplemental Form* **MUST** also be completed and submitted with this form. However, subsequent sales to any other cannabis establishment is considered a wholesale sale and is subject to the tax.

All sales must be reported in the month that the sale occurred.

Number of Days Late	Penalty Percentage	Multiple By:
1 – 10	2%	.02
11 – 15	4%	.04
16 – 20	6%	.06
21 – 30	8%	.08
31 +	10%	.10

Determine the number of days late the payment is and multiply the net tax owed (Line 12) by the appropriate rate based on the table below. The result is the amount of penalty that should be entered. For example, the taxes were due January 31, but not paid until February 15. The number of days late is 15 so the penalty is 4%.
