**Nye County
Fiscal Year 2020-2021
Budget Message**

In preparation for the current economic crisis and future impacts the Nye County Board of County Commissioners took action approving assumptions presented at the FY21 budget workshop on 5/11/2020 that included the reduction of all revenue and expenditure budgets resulting from the COVID19 crisis. The assumptions utilized Applied Analysis's impact assessment by NAICS - North American Industry Classification System, and the revenue loss by industry type was applied in the final budget column in all funds the BoCC governs. The weighted average of the Applied Analysis impact totaled a loss of CTAX revenue of 8.9% throughout the entire FY21 year, and that loss was applied to the DTAX projections for CTAX revenues in all funds. Room tax funds were budgeted at a rate of 50% FY20 estimates of revenues on the FY21 final budget column, and the County will augment those funds if funding levels return quicker than anticipated.

At the FY21 budget workshop the BoCC took action to reduce the Nye County General Fund (10101) budget by the following adjustments: reduction of all general fund department's services and supplies 7.5%, budgeting the County's vacancy rate as a reduction of departments salaries and benefit pro-rata, and the County identified employee concessions of \$735K were necessary to balance the budget. Nye County's collective bargaining units were informed of the deficit and both County Management and the CBA Presidents are working towards a resolution. In the interim of resolution for the funding gap department's salaries and benefits have been further reduced by their pro-rata share of the \$735K deficit and further budget adjustment will be required following approval of employee concessions by all parties.

The FY21 final budgeted ending fund balance of the general fund is \$8,763,398 and totals 20.3% of the departmental expenditures and operational transfers the general fund supports. The budgeted ending fund balance of FY21 declines \$1.363M from the budgeted ending fund balance in FY20 of \$10.126M, however, \$800K (59% of the total decline) is attributed to contingency alone. If contingency funding is not utilized, or under-utilized, in FY21 that funding will revert to ending fund balance.

As a result of the collapse of the PETT funds in FY15 \$5.8M was segregated in the Nye County General Fund for fund stabilization and committed ending fund balance. FY20 is projecting to exceed the minimum fund balance with an ending fund balance of \$10.126M, and FY21 is budgeted to end the FY with an \$8.763M balance which ensures the committed ending fund balance will remain intact. Due to the unknown factors surrounding the length and significance of the COVID19 crisis ending fund balance is deemed a critical resource to preserve.

The majority of Net Proceed revenues in the General Fund have been re-directed through an operating transfer out of the County General Fund (10101) into the County Capital Fund (10401) to allow the County the resources needed for capital improvements, repairs, and replacement of assets and infrastructure along with debt service payments on the Nye County jail bond. Net Proceeds will not be utilized primarily for operational expenditures due to its volatile nature. In FY21 \$299k of Net Proceeds (15% of total Net Proceeds revenues) is budgeted to remain in the Nye County General Fund to balance the budget, \$250k of Net Proceeds (13%) is budgeted to be utilized as pre-funding for Other Post Employment Benefits, and the remaining balance of Net Proceeds, \$1.45M (73%), is budgeted as a transfer out of the Nye County General Fund (10101) to the Nye County Capital Fund (10401).

In November 2019 the Board of County Commissioners were informed of the growing liability of compensated absences as the result of collective bargaining. At that time the estimated liability for compensated absences was calculated at \$4.45M, \$1.52M for annual leave, and \$2.93M for sick leave. During the FY21 budget workshop the Board of County Commissioners approved the resurrection and utilization of a defunct fund, 10202 - Compensated Absences, with the purpose of beginning to pre-fund this liability. The BoCC approved a transfer in FY21 from the Nye County General Fund of \$250,000 to begin pre-funding this liability. This transfer was approved as a reduction of ending fund balance for the purposes of financial stability.

During FY20 Nye County experienced two significant and un-budgeted events, Storm51 and COVID19. Storm51 was a gathering of visitors who were planning to "storm" the Area 51 base that consumes a significant portion of eastern Nye County and Lincoln County. The BoCC took action to avoid large gatherings where possible, however, the event still generated un-budgeted expenditures related to public safety totaling \$185,000 with the overall impact of the event nearing \$370,000. In April 2020 the BoCC approved the utilization of contingency for the Storm51 event for Public Safety departments. The second significant event Nye County experienced in FY20 is COVID19, COVID19 emerged in March 2020. The State of Nevada's Governor directed all non-essential businesses close for an extensive period of time wreaking havoc on the local and state economies. In addition to the economic impact, Public Safety has responded by increasing coverage and services provided to maintain order and safety. The total impact of this event is still being calculated, although revenue losses are projected to be substantial. Nye County manages a stabilization fund, however, it has not been funded in many years. In response to both crises in FY20 the BoCC approved funding \$250,000 into the Nye County Stabilization fund (10201) for future crisis funding. This action further improves the County's financial stability and dampens future funding crises, and because of that this transfer was approved as a reduction of ending fund balance for the purpose of financial stability.

All actions taken at the FY21 budget workshop were in anticipation of a contraction of local, regional, national, and world economies. The assumptions made at the FY21 budget workshop are likely to change as time passes and the full impacts of COVID19 are realized. The BoCC and Comptroller have scheduled quarterly budget workshops to discuss budget to actuals, discuss projected ending fund balances and any future deficiencies, as well as discuss management of the economic crisis and future actionable items necessary based on the budget update. This quarterly meeting will be in excess of the monthly budget status update reports and will provide a deep dive into the County's financial status.

CLGF:

Soon CLGF will be inundated with cities, counties, and local governments in default (authorities, utilities, hospitals, commissions, districts etc.). Absent a federal bail out, a fiscal tsunami is inevitable.

A few issues:

- 1) Pre-emptive direction to local govt to trim spending
- 2) NRS 288.150
- 3) Serious concerns with RDA1: Reno Development Agency 1
- 4) Serious concerns with City of Reno
- 5) Actions on take over
- 6) Law enforcement agencies
- 7) Business Improvement Districts

ONE: In view of the financial meltdown and in some cases, pre-CV19 over spending, I urge the CLGF/ Department of Taxation to make projections on shortfalls in C-Tax and other revenue and urge local governments to make immediate cut backs.

Local governments that fail to take strong immediate action should be a priority for state take over as needed. In such case the local governing body, i.e. City Council, should be immediately suspended as not needed, as a public perception issue and a cost saving measure.

TWO: NRS 288.150 allows labor contract suspensions. Statewide employees, many "working" at home are getting automatic pay raises.

I'm most familiar with Reno and per the IAFF Fire contract, Reno racks up 252 hours DAILY in fire overtime! One firefighter made over \$53,000 in OT last year! By reverting to standard 3-person crews Reno could cut OT to almost zero and re-open two closed stations.

Various employees are scheduled to receive automatic pay increases, for example Reno Police (RPPA) as of July 3, 2020.

THREE: The "RDA1" Reno Development Agency document submitted to Taxation shows RDA revenue at \$878,297 and expenses of \$4,033,485. I'm not the sharpest spoon in the drawer but does anyone see a problem? What is Plan A?

FOUR: On May 30 Reno experienced rioting which can not be good economically.

The City of Reno is broke! Reno has over \$1.2 Billion in pre-CV19 debt. It has no sense of urgency while waiting for "data" and ignoring their own Financial Board which unanimously motioned:

Board member Johns made a motion that the FAB supports the approval of the budget as presented with the addition that the City Manager direct the departments to proceed with saving 15% immediately and 15-33% for the subsequent fiscal year. The motion was seconded by Board member Anderson. Motion carried with Board member Vibe absent."

However per RGJ, "Finance Director Deborah Lauchner cautioned the city still doesn't have any data it can use to forecast the actual size of the hit the budget will take in the fiscal year beginning July 1. She estimated it could be between \$20 million and \$30 million."

The Reno total liability rose by \$86 million in 2019. Reno debt service rises 5.91% in this years budget and plans for a 7.56% increase in property tax revenue.

What effect would a moderate estimate of a 25% cut in C-Tax, 50% cut in room tax, and 5% drop in property tax have on Reno's future? But wait there's more:

Any number of other shoes may fall further affecting Reno finance, all negative: The BID Lawsuit (\$2.8 M yearly- see below), the Crime Lab \$1.2 to \$1.9 increase, the Incline Property Tax rebate, north valley flooding litigation and other "unknowns".

Pending the drastic shortfall of C-Tax along with expected property assessment reductions and default, Reno is broke but failing to act. Please do not wait for that default.

FIVE: TAKE OVER: Disband the Council/Commission. Suspend labor contracts and impose cuts, suspend retirement buy-outs.

SIX: TAKE OVER: Consider Law Enforcement & Fire Consolidation if the Sheriff

willing and even evaluate state police functions (city/ school district police).

SEVEN: Reno has Nevada's first Business Improvement District (BID)/ Downtown Maintenance Organization (DMO)/ Downtown Reno Partnership (DRP):
Not the last if it gets past challenges thus the need to do it correctly. Please review the State of Nevada Department of Taxation Opinion? Based on that letter and review of IRS regulations, the BID: DRP/DMO is not a nonprofit but is a public body aka local government and that may invalidate the entire tax assessment. Per Reno budget, that's \$2,874,110 in 2020-2021. Please review and agendaize this. I have extensive research & documentation for review. The alleged nonprofit makes governmental decisions (See AG Opinion "Mesquite" and "Eureka"). It fails to meet IRS requirements of members, dues, and common business interest- the DRP has none of those!

Summary:

CLGF should hold an emergency hearing as needed.
CLGF/ Taxation should project revenue tax decreases and direct as much as possible pre-emptive budget cuts for local government.
CLGF should prepare for take overs of many local governments.
Agendaize & Review the Business Improvement Tax Assessment Concept.
CLGF and Taxation should be realistic in planning ahead for the City of Reno and RDA.

Sincerely,

Jeff Church
