**Nevada Tax Commission**

The Nevada Tax Commission will hold a Public Hearing at **10:00 a.m. on Thursday, September 13, 2018** at the Nevada Legislative Building 401 S. Carson Street, Room 3137, Carson City, NV & Video Conferenced at Legislative Counsel Bureau Grant Sawyer State Office Building 555 E. Washington Ave., Room 4412, Las Vegas, NV. The purpose of the hearing is to receive comments from all interested parties regarding the adoption of a regulation that pertains to LCB File No. R189-18.

The following information is provided pursuant to the requirements of NRS 233B.0603:

1. Need and purpose of the proposed regulations or amendments

The United States Supreme Court ruled in *South Dakota v. The need and purpose of the proposed regulation is to establish the means to collect sales tax from sales delivered to locations within the state from remote sellers that do not have a physical presence within the State of Nevada.

2. How to obtain the approved or revised text of regulations prepared by LCB

You may obtain a copy of the proposed regulation by writing to the Nevada Department of Taxation, 1550 College Parkway, Carson City, Nevada, 89706; or by calling their office at (775) 684-2059. The Revised Proposed Regulation is also available for review and down load on the Department of Taxation website:

3. Methods used in determining the impact on a small business

The Department used informed, reasonable judgment in determining that there will not be a negative impact on small businesses due to the nature of the regulation changes. Initially the Department conducted its own analysis by considering the extent of the regulatory provisions contained in LCB File No. R189-18.

The Department emailed out the small business impact questionnaire to 228 members on the interested parties list and to the Nevada Taxpayers Association. No responses were received.

The Department also held a workshop on August 6, 2018. No correspondence was received at the workshop and two members of the public testified in favor of the regulation.

4. Estimated economic effect of regulations on business and the public

a. Adverse and beneficial effects

The proposed permanent regulation presents no reasonably foreseeable or anticipated adverse economic effects to businesses or to the general public.

The proposed permanent regulation presents no reasonably foreseeable or anticipated immediate or long-term effects to businesses or to the general public.
