SECTION 6 OFFER IN COMPROMISE TERMS

By submitting this offer, I/we have read, understand and agree to the following terms and conditions: Terms, Conditions, and Legal Agreement.

Pending status of an offer.

I must comply with my future tax obligations and understand I remain liable for the full amount of my tax debt until all terms and conditions of this offer have been met.

- a) I request that the Nevada Tax Commission accept the offer amount listed in this offer application as payment of my outstanding tax debt (including interest, penalties, and any additional amounts required by law) as of the date listed on this form. I authorize the Department of Taxation to amend Section 2 on page 1 in the event I failed to list any of my assessed tax debt.
- b) Once an authorized Department of Taxation official signs this form, my offer is considered pending as of that signature date and it remains pending until the Commission accepts, rejects, returns, or terminates my offer or I withdraw my offer. An offer will be considered withdrawn when the Department receives my written notification of withdrawal by personal delivery or certified mail or when I inform the Department of Taxation of my withdrawal by other means and the Department acknowledges in writing my intent to withdraw the offer.
- c) I will file tax returns and pay required taxes for the five year period beginning with the date of acceptance of this offer, or until my offer is paid in full, whichever is longer. If this is an offer being submitted for joint tax debt, and one of us does not comply with future obligations, only the non-compliant taxpayer will be in default of this agreement.
- d) The Department will not remove the original amount of my tax debt from its records until I have met all the terms and conditions of this offer. Penalty and interest will continue to accrue until all payment terms of the offer have been met. If I file for bankruptcy before the terms are fully met, any claim the Department files in the bankruptcy proceedings will be a tax claim.
- e) Once the Commission accepts my offer in writing, I have no right to contest, in court or otherwise, the amount of the tax debt.

I understand what will happen if I fail to meet the terms of my offer (e.g., default).

I agree to waive time limits provided by law.

I understand the Department may file a Notice of Tax Lien on my property.

I authorize the Department to contact relevant third parties in order to process my offer.

I am submitting an offer as an individual for a joint liability.

- f) If I fail to meet any of the terms of this offer, the Department of Taxation may levy or sue me to collect any amount ranging from the unpaid balance of the offer to the original amount of the tax debt without further notice of any kind. The Department of Taxation will continue to add interest, pursuant to NRS 360.419, on the amount the Department is due after default. The Department will add interest from the date I default until I completely satisfy the amount owed.
- g) A written statement must be provided signed by the person consenting to suspend any and all statutory periods of limitation relevant to the collection of the liability of the taxpayer or the seizure, attachment, garnishment or execution upon property or assets of the taxpayer to satisfy the liability of the taxpayer during the period in which the Commission considers whether to accept or reject the Offer of Compromise.
- h) The Department may file a Notice of Tax Lien during the offer investigation. Generally, the Department files a Notice of Tax Lien to protect the Government's interest on offers that will be paid over time. This tax lien will be released when the payment terms of the accepted offer have been satisfied.
- i) By authorizing the Department to contact third parties including credit bureaus, I understand that I will not be notified of which third parties the Department contacts as part of the offer application process.
- j) I understand if the liability sought to be compromised is the joint and individual liability of me and my co-obligor(s) and I am submitting this offer to compromise my individual liability only, then if this offer is accepted, it does not release or discharge my co-obligor(s) from liability. The Department of Taxation still reserves all rights of collection against a co-obligator(s).
