- Should corrections or adjustments be necessary on previously filed monthly returns:**
- On a copy of an incorrect return, indicate if it is an 'Amended' return.
 - Draw a single line through the figure that is to be adjusted.
 - Enter the correct figure either above or below the figure that is to be corrected.
 - Adjust extensions for corrected totals.
 - Apply appropriate Penalty and Interest.
 - Include a note describing the reason for the correction.

I hereby certify that this return, including all attached schedules has been examined by me and to the best of my knowledge and belief is a true, correct and complete return; that I am the Importer, Manufacturer, or Officer of the above business and duly qualified and authorized to verify this return.

Reported By _____ Signed _____
Checked by _____ Title _____ Phone No _____

LIQUOR EXCISE TAX RETURN INSTRUCTIONS

- Line 1 Enter the total gross gallons imported or manufactured by you, rounded to the hundredth decimal (2). This is to be verified by supplier reports for importers; manufacturers must include copies of TTB tax returns/reports. Importers breakdown shipments received on **LIQ-1a**, Manufacturers use **LIQ-1b** for alcohol put into bond and **LIQ-1c** for alcohol packaged for immediate use.
- Line 2 Credit for shipments lost, stolen or damaged in transit, or damaged or spoiled on the premises **less the 0.25%** discount taken previously if the tax was paid prior to **1/1/09**. If the tax was paid after **1/1/09** the discount will be **0.25%**. List this on Form **LIQ-2** and include all applicable documentation of the incident. This can be used by Manufacturers and Importers.
- Line 3 Credit for liquor exported and sold outside this State and/or liquor purchased from a manufacturer, rectifier, or brewer in this state **less 0.25%** discount taken previously if the tax was paid prior to **1/1/09**. If the tax was paid after **1/1/09** the discount will be **0.25%**. List on Form **LIQ-3** and enclose a copy of the original invoice with this report. In state manufacturers should only use this line for exports.
- Line 4 Credit for liquor sold to airlines, permissible persons or to military bases **less the 0.25%** discount taken previously if the tax was paid prior to **1/1/09**. If the tax was paid after **1/1/09** the discount will be **0.25%**. List this on supplemental Form **LIQ-4a** or **LIQ-4b** and include invoices to qualifying parties. This can only be used by Importers.
- Line 5 Total of lines 2-4b
- Line 6 Subtract the quantity on line 5 from quantity on line 1 for total taxable gallons.
- Line 8 Multiply gallons shown on line 6 by tax rate shown on line 7 for the gross tax.
- Line 9 The excise tax imposed by this Chapter is due and payable on or before the 20th day of the following month. If all such taxes are paid on or before the 15th day of the following month, a discount in the amount of **0.25%** of the tax shall be allowed. If tax is not paid by date due a penalty of 10% will be added, together with interest at the rate of **0.75%** per month, or any fraction thereof, from the date due until paid.
- Line 10 Subtract the figure on line 9 from gross tax on line 8 for adjusted tax amount.
- Line 11 Subtract credits (attach Department notification of credit to this return).
- Line 12 If this return will not be submitted/postmarked and the taxes paid on or before the due date as shown on the face of this return, the amount of penalty due is based on the number of days late the payment is made per NAC 360.395. The maximum penalty amount is 10%.

Number of days late	Penalty Percentage	Multiply by:
1 - 10	2%	0.02
11 - 15	4%	0.04
16 - 20	6%	0.06
21- 30	8%	0.08
31 +	10%	0.10

Determine the number of days late the payment is, and multiply the net tax owed by the appropriate rate based on the table above. The result is the amount of penalty that should be entered. For example, the taxes were due January 31, but not paid until February 15. The number of days late is 15 so the penalty is 4%.

- Line 13 Effective 07/01/2011 interest rate change: To calculate interest for each month late after 7/1/2011, multiply Line 10 x 0.75% (or .0075) if postmarked after the 20th of the month following activity. To calculate interest for each month late from 07/01/1999 through 06/30/2011, multiply Line 10 x 1% or (.01) if postmarked after the 20th of the month following activity.
- Line 14 Add the amount of any Liability that has been established by the Department. Attach Department notification of amount due.
- Line 15 The total amount due and payable with this return.

Pursuant to 2017 legislative changes, Brew Pubs must report gallons of malt beverages manufactured and sold in this reporting period on form LIQ-1d. Estate Distillers must report spirits manufactured for exportation or sold at retail on form LIQ-1e.

**** For up-to-date information on tax issues, be sure to check our website -- <http://tax.nv.gov/> -- ****
