The excise tax imposed for those particular sales are the obligation of the Cultivation Facility.

A “Production Facility” may produce and sell edible marijuana or marijuana-infused products to a “Medical Marijuana Dispensary” only. An excise tax is imposed on each wholesale sale in this State of those products at the rate of 2 percent of the sales price. The excise tax imposed for those particular sales are the obligation of the Production Facility.

A “Medical Marijuana Dispensary” may sell or dispense marijuana, edible marijuana products or marijuana-infused products to the holder of a valid registry identification card. The excise tax imposed for those particular sales are the obligation of the Medical Marijuana Dispensary.

Penalty & Interest. If this return is not submitted/postmarked and taxes are not paid on or before the due date as shown on the face of this return, the amount of penalty due is based on the number of days the payment is late per NAC 360.395 (see table below). The maximum penalty amount is 10%. Determine the number of days late the payment is, and multiply the net tax owed (Line 5) by the appropriate rate based on the table below. The result is the amount of penalty that should be entered. For example, the taxes were due January 31, but not paid until February 15. The number of days late is 15 so the penalty is 4%. To calculate interest for each month late, multiply Line 5 x 0.75% (or .0075). The penalty and interest amounts are automatically calculated if you complete this form on-line.

Number of days late	Penalty Percentage	Multiply by:
1 - 10	2%	0.02
11 - 15	4%	0.04
16 - 20	6%	0.06
21- 30	8%	0.08
31 +	10%	0.10
