Alcohol Awareness Training Violation Information

Effective July 1, 2007, Nevada Revised Statutes (“NRS”) § 369.630 requires owners or operators of liquor establishments who hire or employ persons to sell or serve alcoholic beverages, or act as security guards at such establishments, to ensure such person complete a State certified Alcohol Beverage Awareness program and hold a valid alcohol education card.

These provisions apply to establishments in all counties whose population is 100,000 or more (Clark and Washoe Counties). An establishment is defined as a business that sells alcoholic beverages by the drink for consumption on the premises and businesses that sell alcoholic beverages in corked or sealed containers or receptacles for consumption off the premises. These provisions do not apply to a Nevada Licensed Wholesale Dealer, or a private club, or other facility which is not open to the public.

An establishment who violates any of these provisions pertaining to Alcohol Awareness Training is subject to an administrative fine ranging from \$500 to \$5,000.

A list of approved Alcohol Awareness Training Schools can be found at <http://www.cpe.state.nv.us> See copy of NRS 369.630 enclosed with this notice.
