**PENALTY INSTRUCTIONS (LINE 4)**

If this return will not be submitted/postmarked and the taxes paid on or before the due date, the amount of penalty due is based on the number of days late the payment is made per NAC 360.395. The maximum penalty amount is 10%. Determine the number of days late the payment is and multiply the net tax owed by the appropriate rate based on the table below. For example: the taxes were due January 31 but not paid until February 15. The number of days late is 15 so the penalty is 4%.

Number of days late	Penalty Percentage	Multiply by:
1 - 10	2%	0.02
11 - 15	4%	0.04
16 - 20	6%	0.06
21 - 30	8%	0.08
31 +	10%	0.10
