

Nevada Department of Taxation

Notice Regarding Tax Rate Increases

Washoe County

Effective April 1, 2017, the Sales and Use Tax rate for Washoe County will increase from 7.725% to 8.265%.

Clark County

Effective April 1, 2017, the Sales and Use Tax rate for Clark County will increase from 8.15% to 8.25%.

Those who collect and remit Sales and Use Tax will need to make changes to business processes as necessary to collect tax at the new rate. Businesses should be sure to file the most recent tax return forms. Filing online at [Nevada Tax Center](#) is the best option to ensure up-to-date tax rates. Alternately, tax returns can be found on our website at <https://tax.nv.gov>.

If you have questions or need more information, please contact our Call Center at 866-962-3707.
