NOTICE OF PUBLIC HEARING  
FOR THE ADOPTION OF PERMANENT REGULATION OF  
THE NEVADA TAX COMMISSION

The Nevada Tax Commission (Tax Commission) will hold a public hearing on December 3rd, 2018 commencing at 9:00 a.m. at the Nevada Department of Health and Human Services, 4150 Technology Way, Room 303, Carson City with video-conferencing to the Nevada Department of Health Care Financing and Policy, 1210 S. Valley View Blvd, Ste. 104, Las Vegas, Nevada. The Tax Commission will receive testimony from all interested persons and consider and take action on proposed adoption of amendments, additions and deletions to the Nevada Administrative Code as identified in R-20-17 Continuing Education hours.

The following information is provided pursuant to the requirements of NRS 233B.0603:

**1. The Need for and Purpose of the Proposed Regulations.**

The need and purpose of the proposed regulation regarding Continuing Education requirements is to provide clarity on the number of hours required to obtain and maintain licensure to appraise property for taxation purposes.

**Terms or Substance of the Proposed Regulation or Description of the Subjects and Issues Involved.**

**Section 1** amends NAC 361.565 to revise existing regulations governing the approval of courses of training by the Department to specifically provide for the approval of courses providing instruction in certain subject matters.

**Section 2** amends NAC 361.567 to clarify that hours are awarded primarily on the basis of the number of hours listed on the certificate of completion of a class; or if the certificate fails to list the hours, on the basis of other documentation required to be submitted. Credit hours that are awarded by the Department are final, even though in subsequent years the course length or content might change. The Department may grant credit for coursework earned that is older than 5 years if applied to the first 180 hours earned; thereafter, the coursework earned must be no older than 3 years. Certification is subject to suspension or revocation if continuing education requirements are not met within a 3 year period.

**2. Estimated Economic Effect of the Proposed Regulation on the Business which it is to Regulate, and the Public.**

**A. Adverse and Beneficial Effects.**

The proposed regulation presents no reasonably foreseeable or anticipated adverse economic effects to businesses or to the general public. The regulation does not impose a direct and significant economic burden upon a small business or restrict the formation, operation or expansion of a small business.

**B. Immediate and Long-Term Effects.**

The immediate and long-term effects will be to simplify and clarify the requirements for education to obtain and maintain licensure.

**3. The Methods Used by the Agency in Determining the Impact on a Small Business.**

The Department mailed or emailed a Small Business Impact Statement and Questionnaire on October 13, 2016 when this was proposed as a temporary regulation, no responses were received. Out of an abundance of caution an additional questionnaire was sent on October 30, 2018 to persons and businesses on the Department's interested parties list regarding this permanent regulation. Because of the nature of the regulation, the Department believes there is minimal to no impact on a small business.

**4. Estimated Cost to Agency for Enforcement of the Proposed Regulation.**

The estimated cost of enforcement related to administration of the program to the Department of Taxation is minimal.

**5. Regulations of Other State or Local Governmental Agencies which the Proposed Regulation Overlaps or Duplicates and the Necessity Therefore.**

The proposed regulation does not overlap or duplicate regulations of other state or local governmental agencies.

**6. Establishment of New Fee or Existing Fee Increase.**

None

**7. Regulation required by Federal law.**

Not applicable

**8. More stringent than federal regulation**

The Department is not aware of any similar federal regulations of the same activity in which the state regulations are more stringent.

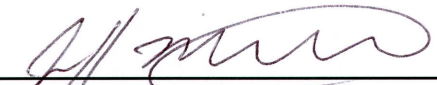

**9. How to obtain the approved or revised text of regulations:**

You may obtain a copy of the proposed regulation by writing to the Nevada Department of Taxation, Division of Local Government Services, 1550 College Parkway, Carson City, Nevada 89706; or by calling the office at (775) 684-2100. Under NRS 233B.064(2), when adopting any regulation, the Agency, if requested to do so by an interested person, either prior to adoption or within 30 days thereafter, shall issue a concise statement of the principal reasons for and against its adoption and incorporation, and its reason for overruling the consideration urged against its adoption.
