## **Additional Changes to NCCR 1-14 for Consideration for Adoption at the July 21, 2020 CCB Board Meeting**

### **Proposed Change to Regulation 4.095(1)**

4.095(1). Within 10 days after the respondent answers the complaint pursuant to NRS 678A.520 and demands a hearing or if the Board orders a hearing even if the respondent waives his or her right to a hearing, the parties shall hold an early case conference at which the parties and a hearing officer employed by the Board, *or as permitted by NAC 616C.2753*, or a delegated member of the Board, a panel of the Board, or the Board must preside.

### **Proposed Change to Regulation 5.112(4)**

5.112(4). For purposes of NRS 678B.340(4), with respect only to transfers of interest and cannabis establishment agent registration cards for those who do not volunteer or work at, contract to provide labor to or be employed by an independent contractor to provide labor to a cannabis establishment as a cannabis establishment agent, the term “prospective cannabis establishment agent” shall be deemed to exclude any passive investor in a ~~publicly traded~~ company owning less than 5 percent of the shares of that ~~publicly traded~~ company.

### **Proposed Change to Regulation 5.125(4)**

5.125(4). For purposes of NRS 678B.340(4), with respect only to transfers of interest and cannabis establishment agent registration cards for those who do not volunteer or work at, contract to provide labor to or be employed by an independent contractor to provide labor to a cannabis establishment as a cannabis establishment agent, the term “prospective cannabis establishment agent” shall be deemed to exclude any passive investor in a ~~publicly traded~~ company owning less than 5 percent of the shares of that ~~publicly traded~~ company.

### **Proposed Change to Regulation 11.070(1)(d)**

11.070(1)(d) The cannabis testing facility shall ensure ~~that the seed-to-sale tracking document is attached to the sample package, lot or production run number, and the weight or quantity of the sample on the sample package and on the chain of custody.~~ *the seed-to-sale identification tag is affixed to the sample package. The batch, lot or production run number and the weight or quantity of the sample shall be documented on the sample package and on the chain of custody.*

### **Proposed change to Regulation 13.020(4)&(5)**

13.020(4). If a cannabis distributor determines the final delivery destination will exceed 100 miles and it is unreasonable to deliver the cannabis or cannabis product within one trip, the product may be stored for no more than ~~24~~ **48** hours. All cannabis or cannabis product stored at a licensed cannabis distributor must be documented in the seed-to-sale tracking system.

13.020(5). A cannabis distributor shall not store cannabis or cannabis products for more than ~~24~~ **48** hours without written consent from the appropriate Board Agent.

**Proposed Change to Regulation 5.095(3)**

**5.095 Renewal of license.** A person or entity that wishes to renew a license for a cannabis establishment must annually submit to the Board:

1. Payment of the annual licensing fee for the renewal of the license. Payment must include the identification numbers of the establishment and the name of the entity applying to renew the license.

2. Any such other information required by the Board upon request.

***3. If a person or entity fails to renew its license by the expiration date, then the licensee shall cease operations until its license is renewed. If the person or entity fails to renew its license within ninety (90) days of the expiration date, then the license shall be deemed voluntarily surrendered.***
