The following information is provided pursuant to the requirements of NRS 233B.0603:

1. Need and purpose of the proposed regulations or amendments

The need and purpose of the proposed permanent regulation (R068-21) establishes provisions governing the delivery of alcohol sold by retail liquor stores to consumers; requires brew pubs to maintain certain records related to the manufacture of malt beverages for sale to a wholesaler located outside this State; and provides other matters properly relating thereto.

Existing law authorizes a retail liquor store, or a delivery support service acting on behalf of a retail liquor store, to deliver liquor in its original package to a consumer in connection with the retail sale of such liquor if the delivery occurs in a jurisdiction in this State in which the retail

liquor store is licensed to sell liquor at retail. (NRS 369.489) **Section 2** of this regulation establishes requirements for such deliveries of liquor and the means through which a retail liquor store or its agent is authorized to accept an order for the sale and delivery of liquor. **Section 3** of this regulation establishes requirements for a person who makes such deliveries on behalf of a retail liquor store or a delivery support service acting on behalf of a retail liquor store. **Section 3** also requires any delivery of liquor to be made to a person who is 21 years of age or older at the address specified on the order as the delivery address and prohibits the delivery of liquor to a person who shows signs of intoxication.

Existing law defines a “sale” for the purposes of the provisions of law governing sales of intoxicating liquor. (NRS 369.100) **Section 4** of this regulation provides that the actions of a delivery support service acting on behalf of a retail liquor store to facilitate the sale of liquor by the retail liquor store is not a sale by the delivery support service.

Section 5 of this regulation requires a person who makes deliveries on behalf of a retail liquor store or delivery support service to maintain a delivery log which contains certain information for each delivery of liquor made. **Section 5** also prohibits the release of a delivery by a person who makes deliveries on behalf of a retail liquor store or delivery support service until the person is shown an acceptable form of identification showing that the person accepting the delivery is 21 years of age or older.

Section 6 of this regulation requires a retail liquor store to maintain certain delivery records for at least 4 years and to make such records available for inspection by the Department of Taxation upon reasonable notice.

Section 7 of this regulation authorizes the Department to impose certain penalties on a retail liquor store that violates the provisions of this regulation relating to liquor deliveries. **Section 7** authorizes a county or city to implement the same penalties by ordinance.

Section 8 of this regulation requires each county and city in this State to adopt ordinances governing liquor delivery which are consistent with existing law and this regulation.

Existing law regulates the operation of brew pubs in this State, including limiting the amount of malt beverage which a person who operates one or more brew pubs is authorized to manufacture per year to 40,000 barrels, plus an additional 20,000 barrels which may be manufactured and sold only to a wholesaler located outside of this State. (NRS 597.230)

Section 9 of this regulation requires a brew pub to maintain certain records necessary to determine the amount of malt beverage manufactured for sale to a wholesaler located outside of this State and to make those records available for inspection by the Department.

2. How to obtain the approved or revised text of regulations prepared by LCB

You may obtain a copy of the proposed permanent regulation by writing to the Nevada Department of Taxation, 1550 College Parkway, Ste 115, Carson City, Nevada 89706; or by calling the office at (775) 684-2059. prepared a small business impact questionnaire that was forwarded to the Interested Parties List which is maintained by the Department.

The Department will continue to accept input on the impact of the proposed permanent regulation on small businesses through the regulatory process. No respondents indicated that this regulation would have a direct and significant economic burden upon a small business.

The Department held a workshop for concerned members of the public to state their concerns and submit correspondence regarding the regulation.

7. Regulation required by federal law

Not Applicable

8. More stringent than federal regulations

9. New or increases in existing fees

The proposed permanent regulation does not include new fees or increase an existing fee.

Persons wishing to comment on the proposed action of the Nevada Tax Commission may appear at the above scheduled public hearing or may address their comments, data, views, or arguments, in written form, to the Nevada Tax Commission, 1550 E. College Parkway, Suite 115, Carson City, Nevada 89706. Written submissions must be received at least two weeks prior to the above scheduled public hearing.

Under NRS 233B.064(2), when adopting any regulation, the Agency, if requested to do so by an interested person, either prior to adoption or within 30 days thereafter, shall issue a concise statement of the principal reasons for and against its adoption and incorporation, and its reason for overruling the consideration urged against its adoption.
