DEPARTMENT OF TAXATION UNVEILS NEW NEVADA TAX CENTER

The Nevada Department of Taxation is proud to announce the release of the new and improved online Nevada Tax Center. The new site became available as of Monday, April 18th, and has already showed an increased numbers of users.

Nevada Tax is a secure, online tool for taxpayers to more efficiently view and file tax payments, including retrieving information on past filings. Users can also update their mailing address, register for EFT payments, view important tax-related messages, and more.

The site uses the latest in technology to offer a more responsive site with improved speed and functionality. With a completely new design, the updated system offers an enhanced user experience featuring quick access to Nevada Tax's most commonly used features.
