**Summary of workshop discussion:**

Sections 32, 33 and 35 of the draft presented for the Workshop held on November 17, 2022 were removed in response to feedback received at the Workshop. The Department agreed to consider a separate regulation at another time to address and incorporate industry feedback. Additional clarifications were requested regarding the proposed definition of "pre-rolls" as originating from the cultivator and asked questions regarding other terminology used in the Fair Market Value determination.

In response to public comments received during and after the Workshop on November 17, 2022, the Department circulated a revised draft to the interested parties list on November 30, 2022 and posted the revised version with the agenda for the public meeting of the Nevada Tax Commission held on December 5, 2022.

**Summary of Public Comment at Adoption Hearing:**

Will Adler, Silver State Government Relations and Sierra Cannabis Coalition:

Mr. Adler offered support for the adoption of the current draft regulation.

A copy of the recorded comments or the record of proceedings may be obtained by calling the Nevada Department of Taxation at (775) 684-2059 or by writing to the Department of Taxation, 1550 College Pkwy. Ste 115, Carson City, Nevada 89706, or by e-mailing the Department at [sglazner@tax.state.nv.us](mailto:sglazner@tax.state.nv.us).

**6. If the regulation was adopted without changing any part of the proposed regulation, a summary of the reasons for adopting the regulation without change.**

There were changes made to the regulation after Workshop, which included deleting certain sections to limit the regulation to the imposition of the excise tax and to define pre-rolls of cannabis for purposes of fair market value

7. **The estimated economic effect of the regulation on the business which it is to regulate and on the public. This must include adverse, beneficial, immediate and long-term effects.**

**(a) Estimated economic effect on the businesses which they are to regulate.**

The adopted permanent regulation presents no reasonably foreseeable or anticipated adverse economic effects. The benefits of these regulations are that the industry along with the Department will be provided more clarity in implementing NRS Chapter 360, 372A and Assembly Bill 341, Statutes of Nevada (2021).

**(b) Estimated economic effect on the public which they are to regulate.**

The adopted permanent regulation presents no reasonably foreseeable or anticipated adverse economic effects to the public.
