**PROPOSED REGULATION OF THE
NEVADA TAX COMMISSION**

LCB File No. R108-20

February 2, 2021

EXPLANATION – Matter in *italics* is new; matter in brackets ~~omitted material~~ is material to be omitted.

AUTHORITY: §§ 1-11 and 13, NRS 360.090, 372A.050 and 678B.640; §§ 12 and 14-18, NRS 360.090 and 372A.050.

A REGULATION relating to taxation; setting forth the method of calculating the fair market value at wholesale of cannabis; imposing certain requirements on certain cannabis establishments relating to the payment of excise taxes on cannabis; repealing certain superseded provisions; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law imposes an excise tax on certain wholesale and retail sales of cannabis. For each retail sale of cannabis or cannabis products by an adult-use cannabis retail store, an excise tax is imposed at the rate of 10 percent of the sales price of the cannabis or cannabis products. For wholesale sales of cannabis by a medical or adult-use cannabis cultivation facility to another cannabis establishment, an excise tax is imposed at the rate of 15 percent of the fair market value at wholesale of the cannabis. (NRS 372A.290)

Before the enactment of Assembly Bill No. 533 (A.B. 533) of the 2019 Legislative Session, the excise tax on wholesale sales of cannabis to a medical marijuana establishment and the excise tax on wholesale sales of cannabis by a marijuana cultivation facility were imposed by separate sections of NRS. (NRS 372A.290, as that section existed before July 1, 2020, 453D.500, as that section existed before July 1, 2020) Accordingly, the Department of Taxation adopted separate regulations prescribing separate procedures and requirements for the administration and enforcement of those excise taxes. (NAC 372A.100-372A.180, 453D.236)

The authority to regulate persons and establishments involved in the cannabis industry in this State were generally transferred by A.B. 533 from the Department to the Cannabis Compliance Board. However, the Department retained its authority over the administration and enforcement of the excise taxes on cannabis. (Assembly Bill No. 533, chapter 595, Statutes of Nevada 2019, at page 3767) A.B. 533 combined provisions relating to the excise tax on wholesale sales of cannabis by a medical cannabis cultivation facility and the excise tax on wholesale sales of cannabis by an adult-use cannabis cultivation facility into a single section of chapter 372A of NRS. (Sections 213 and 245 of Assembly Bill No. 533, chapter 595, Statutes of Nevada 2019, at pages 3873, 3896) Existing law requires the Department to adopt all necessary regulations to carry out the provisions of that chapter. (NRS 372A.050) Additionally, existing

law requires the Department to adopt regulations to establish procedures to determine the fair market value at wholesale of cannabis. (NRS 678B.640)

This regulation revises provisions of existing regulations relating to the excise tax on wholesale sales of medical cannabis to incorporate provisions relating to the excise tax on wholesale sales of adult-use cannabis, thereby providing standardized procedures and requirements for the administration and enforcement of both excise taxes. (NAC 372A.100-372A.180) **Section 11** of this regulation sets forth the method by which the Department will calculate the fair market value at wholesale for various categories of cannabis. The method set forth in **section 11** is substantially similar to the method of calculating the fair market value at wholesale of cannabis that was previously adopted by the Department in the context of adult-use cannabis. (NAC 453D.236)

Section 16 of this regulation imposes certain requirements on cannabis establishments related to the payment of the excise taxes on cannabis. **Section 16** requires the payment of an excise tax on cannabis upon the first sale of cannabis or cannabis products to a cannabis establishment or consumer. Additionally, **section 16** requires a taxpayer to maintain certain documentation and authorizes the Department to require the submission of certain financial statements under certain circumstances. The provisions established by **section 16** are substantially similar to the provisions governing the administration and enforcement of the excise taxes on cannabis that were previously adopted by the Department in the context of adult-use cannabis. (NAC 453D.236)

Section 18 of this regulation repeals a number of existing sections of the Nevada Administrative Code relating to excise taxes on cannabis that are either superseded by or duplicative of provisions of existing law. (NRS 372A.247, 372A.270, 372A.300-372A.360) **Sections 12-15 and 17** of this regulation make conforming changes.

Section 1. Chapter 372A of NAC is hereby amended by adding thereto the provisions set forth as sections 2 to 11, inclusive, of this regulation.

TEXT OF REPEALED SECTIONS

372A.120 “Medical marijuana” defined. (NRS 360.090, 372A.050, 372A.075)

“Medical marijuana” means marijuana, edible marijuana products and marijuana-infused products sold for a medical use as authorized by chapter 453A of NRS.

372A.130 “Seller” defined. (NRS 360.090, 372A.050, 372A.075) “Seller” means a taxpayer who makes any sale of medical marijuana.

372A.150 “Sales price” interpreted. (NRS 360.090, 372A.050, 372A.075)

1. For the purposes of NRS 372A.075, the Nevada Tax Commission will interpret the term “sales price” to mean the total amount for which medical marijuana is sold, valued in money, whether received in money or otherwise, without any deduction for:

- (a) The cost to the seller for the medical marijuana sold;
- (b) The cost of materials used, the cost of labor or services, interest, losses, costs of transportation to the seller or any other expenses of the seller;
- (c) Any amount for which credit is given to the purchaser by the seller;
- (d) Any charges by the seller for any services necessary to complete the sale; or
- (e) Except as otherwise provided in this subsection, any tax imposed upon the seller or the seller’s predecessors in the supply chain.

↪ The term does not include the amount of the seller’s obligation for the excise tax on medical marijuana.

2. For the purposes of this section, the legal incidence of the excise tax on medical marijuana is deemed to be on the seller regardless of whether the seller passes the cost of the tax on to the purchaser.

372A.170 Maintenance and inspection of records. (NRS 360.090, 372A.050, 372A.075)

Each taxpayer shall:

- 1. Keep such records as are necessary to determine the amount of the liability of the taxpayer for the excise tax on medical marijuana;
- 2. Preserve those records for not less than 4 years or until any proceedings pursuant to NRS 360.300 to 360.400, inclusive, are finally determined, whichever is longer; and

The Department shall process and administer the claim as prescribed by NRS 363B.140 to 363B.230, inclusive, for claims filed pursuant to chapter 363B of NRS.

Each such taxpayer shall file a return even if the taxpayer has no liability for the tax.

2. Each taxpayer shall pay the excise tax on marijuana to the Department upon the first sale of marijuana or marijuana products to a marijuana cultivation facility, marijuana product manufacturing facility, retail marijuana store or a consumer.

3. If a marijuana cultivation facility sells marijuana to another marijuana cultivation facility and pays to the Department the excise tax imposed by NRS 453D.500 on the sale, the excise tax imposed by NRS 453D.500 is not required for any subsequent wholesale sale of that marijuana.

4. Each marijuana cultivation facility and retail marijuana store shall keep all supporting documentation for verification that the excise tax imposed by NRS 453D.500 was paid on the first wholesale sale of marijuana.

5. The Department may require a marijuana establishment to submit a financial statement as determined to be necessary by the Department to ensure the collection of any taxes which may be owed by the marijuana establishment.

6. The Department will calculate the fair market value at wholesale using the reported sales or transfer of marijuana in each category of marijuana described in this subsection using the methodology described in paragraphs (a) to (f), inclusive. The fair market value at wholesale of:

(a) Marijuana bud must be calculated on the basis of the total weight of all marijuana bud that is sold, excluding the inadvertent inclusion of an inconsequential amount of marijuana bud in a sale of marijuana trim.

(b) Marijuana trim must be calculated on the basis of the total weight of all marijuana trim that is sold, including the total weight of an inconsequential amount of marijuana bud which is inadvertently included.

(c) Immature marijuana plants must be calculated on the basis of the total number of immature marijuana plants sold.

(d) Whole wet marijuana plants must be calculated on the basis of the total weight of the entire whole wet marijuana plant. A marijuana cultivation facility shall maintain records of the time each batch containing whole wet marijuana plants is harvested and weighed which contain the weight of each plant, are in writing and are created contemporaneously with the harvesting and weighing. To determine the total weight of the whole wet marijuana plant:

(1) The plant must not undergo any further processing, including, without limitation, drying the plant and subsequently selling separately the marijuana bud and marijuana trim from the plant, before being weighed; and

(2) The plant must be weighed within 2 hours after the harvesting of the batch containing the plant and without any further processing of the plant, including, without limitation, increasing the ambient temperature of the room in which the plant is held or drying, curing or trimming the plant. If the whole wet marijuana plant is not weighed within 2 hours after the harvest of the batch containing the plant or is subjected to further processing, the fair market value at wholesale of the plant must not be calculated using this paragraph and must be calculated using paragraph (a) or (b).

(e) Marijuana seeds must be calculated on the basis of the total number of seeds sold.

(f) Any other category of marijuana must be determined by the Department on a case-by-case basis.

7. As used in this section:

(a) “Excise tax on marijuana” has the meaning ascribed to it in NRS 372A.220.

(b) “Taxpayer” has the meaning ascribed to it in NRS 372A.250.
