*The credit allowable against the federal estate tax for the payment of State death taxes has been phased out by the Internal Revenue Service and no longer applies on deaths occurring after December 31, 2004. The Nevada estate tax was based solely on this credit. Revenues in Fiscal Years 2022-23 and 2023-24 represent interest accrual on the reserve fund.

***Due to SB 3 of the 31st special session a prepayment on the General Fund portion of the tax rate was enabled, which required a projection and payment with that projection. SB 124 of the 82nd legislative session ended the prepayments during Fiscal Year 2022-23.*

****In order to comply with NRS 360.255 taxpayer disclosure requirements, Peer-to-Peer Car Sharing Fee revenues are reported within the Short Term Car Lease Fee totals in Fiscal Years 2022-23 and 2023-24.*

*****Fiscal Year 2023-24 Modified Business Tax distributions were negatively affected by the reduction of tax rates pursuant to NRS 360.203.*

******Fiscal Year 2017-18, Medical Cannabis Tax was replaced by the Retail Cannabis Tax and Wholesale Cannabis Tax. However, there were outstanding amounts of late paid Medical Cannabis Tax that the Department collected in Fiscal Year 2022-23 and 2023-24.*

******AB430 of the 31st Legislative Session changed the application of the Wholesale Cannabis Tax to 15% of the Fair Market Value for affiliate sales or 15% of the contracted sales price for non-affiliate sales. The bill was effective January 1, 2024 and affected the Wholesale Cannabis Tax revenue in Fiscal Year 2023-24.*

Distributions	2022-23	2023-24	Increase/ (Decrease)	Percentage Change

DEPARTMENT ORGANIZATION AND FUNCTIONS

The Department maintains three office locations. The headquarters is located in Carson City, with district offices in Las Vegas and Reno. For Fiscal Year 2023-24 (FY24) the Department's staff consisted of 412 full-time equivalent (FTE) positions statewide with a budget of \$60,648,629 and actual spending of \$56,390,306.

The Department of Taxation is the primary revenue collecting agency in the State and is responsible for providing fair, efficient, and effective administration of the tax programs of the State of Nevada. The Department consists of six major Divisions: Executive; Administrative Services; Information Technology; Boards and Commissions and Local Government Finance; Excise and Local Government Services; and Compliance, which consists of both the Revenue/Collection and Audit Sections. The Department acts as staff to the Nevada Tax Commission (NTC), State Board of Equalization (SBE), Committee on Local Government Finance (CLGF), Mining Oversight and Accountability Commission (MOAC), and the Appraiser Certification Board (ACB). In addition, the Department is also responsible for annually developing the official population estimates the State and the various counties, cities, towns and townships. These estimates, after certification by the Governor, are used to distribute certain revenues to counties, cities and towns, and to determine the appropriate number of justices of the peace.

Project MYNT: The Department of Taxation is actively modernizing its twenty-year-old Unified Tax System (UTS) through Project MYNT, aiming for a three-year implementation with an expected eighteen-year base life. While initial funding was approved in FY20, Federal ARPA funds secured in FY23 cover the first two years of implementation. The Interim Finance Committee (IFC) requires quarterly reports detailing the project status, encompassing the Unified Tax System replacement plan, activities of personnel and vendors, project deliverables, and expenditure details.

Proudly, the Department successfully launched My Nevada Tax on Dec 9th, 2024. This was the first release of a planned 3 phase release cycle. The first phase releasing the following tax types:

- Sales & Use Tax
- Consumer Use Tax
- Cigarette Tax
- Live Entertainment Tax
- Liquor Tax
- Liquor License Renewal
- Other Tobacco License Tax
- Other Tobacco Products Tax

Department Organization and Functions, Continued

For the next two years in December 2025 and December 2026, additional tax types will be released. It is the Department's goal to serve the State of Nevada and its taxpayers with excellence as the best it can. With an operational Enterprise Project Management Office and Enterprise Change Management Office, as well as a solid partnership with the selected vendor, FAST Enterprises, the Department is on its way to a successful and fruitful modernization.

Executive Division: The Executive Division is composed of various staff, including the Executive Team. The Executive Director leads the Executive Division, which includes: Chief Deputy, Administrative Services Deputy, Information Technology Deputy, Excise and Local Government Services Deputy, Compliance Deputy, Chief Financial Officer, Enterprise Change Manager, Information Security Officer, Public Information Officer, Executive Assistant, Administrative Law Judges, Enterprise Project Manager, and Internal Auditor.

The Executive Director serves as the Secretary to the NTC and the SBE and directs Department staffing for all Department boards and commissions. Similar to the Executive Director's role for NTC, the Chief Deputy is responsible for administering the Department's roles for the SBE, CLGF, MOAC, and ACB, including providing administrative support and subject matter expertise to these public bodies. These boards and commissions rely heavily upon the Department's expertise in Local Government Services and Local Government Finance.

In addition to leading their respective sections within the Department and carrying out their respective duties, the Executive Division is responsible for strategic planning, executive level management and decision-making, legislative and regulatory recommendations, budgetary policy, internal audit functions, information security policies and protocols, and media and public relations. The Executive Division also carries out "Executive Review," which includes making recommendations and decisions related to the taxpayer appeal process, including petitions for redetermination, administrative hearings, appeals to the NTC, and appeals on judicial review; the Department's regulatory process, from conception to adoption of administrative regulations; and numerous other special projects, including feasibility studies, RFP's, and contracts.

Boards and Commissions and Local Government Finance (LGF): The Chief Deputy coordinates Department staffing and subject-matter expertise and representation for the State Board of Equalization, the Committee on Local Government Finance, the Mining Oversight and Accountability Commission and the Appraiser Certification Board. These boards and commissions are supported primarily by staff in the LGF and LGS Sections of the Department.

Administrative Services: Provides centralized support for all administrative, financial, and fiscal activities of the Department. More than 9 billion dollars in revenue pass through the Department annually for distribution.

Accounting Section - This section includes the Cancellation/Refunds Team, Mail Team, New Business Registration Team, and Excise Tax Registration Team. Duties include posting of payments (including Automatic Clearing House (ACH)) excise bonds, cash bond transfers and claims, updates, transfers; processing of voluntary disclosures applications, account closeout forms, check issues (cancel, reissue, stale), and documents submitted electronically.

Budget/Fiscal Section - This section includes purchasing, contract development and facilities management. This section processes payroll and travel claims and serves as the Personnel Liaison for the Department and as Liaison to Governor's Finance Office (GFO) and Legislative Counsel Bureau (LCB). Fiscal Services facilitates the budget build and assists divisions in the development of the activity and biennial line-item budget. During the legislative session Fiscal works diligently to submit budget amendments and create and monitor fiscal notes to ensure funding is obtained for the implementation of proposed legislative changes.

Department Organization and Functions, Continued

Distributions Section - This section includes the Balancing Team and Statistics Team. These teams are responsible for revenue distribution and provide periodic reports to State and Local Governments and the public from data collected by the Department, including accounts receivable reports and numerous other revenue reports. This Section conducts an annual comparison of the Supplemental City/County Relief Tax (SCCRT) collections to distributions and prepares a list of guaranteed counties (smaller counties who received a fixed amount of SCCRT through the Consolidated Tax distribution) to the NTC. The Balancing Team ensures all funds received in the Department's bank account are recorded in two accounting systems: the Tax Administration System (TAS) and the State's Internal Financial System.

Management Analyst Section - This section provides legislative assistance to the Department by determining the fiscal impact of fiscal notes that relate to technology. The team provides support to all areas of the Department through training, research, analysis, information and requirements gathering, system testing, and functioning as the primary liaison between the business functional areas and IT. The analysts also work directly with the State Mailroom to print notices and are responsible for forms management.

Processing Section - This section includes the Adjustments Team, Suspense Team, Demographics Team, Document Management, and the Department's Mailroom and Document Management units. Duties include processing: refunds over \$25,000, refunds for Interstate Commerce, MBT classification changes, streamline Sales tax requests, suspended returns and payments, NTC waived bonds, Letters of Credit and, Personal Guarantees. This section also adjusts posting errors. The Mailroom and Document Management units scan and upload all documents into File360 for storage and availability for research for other sections of the department. It also receives, sorts, and delivers the mail to the Carson City office.

Economist - This position is responsible for economic forecasting, statistical analysis, data validation, projections, data research, and forecasting in general. This position prepares reports, graphs, charts, and presentations, for reporting to state and local governments including: the Annual Report, Expenditure Report, forecasts to the Economic Forum and Technical Advisory Committee, and the Fair Market Value for cannabis taxability.

Internal Auditor - This position provides checks and balances for Department processes and procedures by auditing and documenting: internal controls, processes, performance measures, vulnerabilities and compliance. The Internal Auditor is the Department's primary Diversity and Inclusion Liaison for taxpayers with language or cultural barriers.

Demographer - This position is responsible for producing an annual determination of the population of towns, townships, cities, and counties, which is certified by the Governor by March 1 of each year. This data is used for revenue distributions, including the Consolidated Tax Distribution to counties, cities, and towns and special districts. The demographer is also responsible for producing age, sex, race, and Hispanic origin estimates and projections; 5-year population projections; and 20-year population projections. The demographer works with the U.S. Census Bureau in conducting the decennial census.

Information Technology (IT): Facilitates the collection, auditing and distribution of tax payments including taxpayer account management and service by providing IT Strategy, IT Budget & Analysis, IT Infrastructure & Operations Management, Application Development and Support, Data Management, Information Security Services and IT Helpdesk services. This Division also operates, maintains, and enhances the Unified Taxation System (UTS). UTS is composed of major integrated applications that include Tax Administration System (TAS), Online Tax, Streamlined Sales Tax (SST), Revenue Premier (Auditing support), Silverflume Portal Web Services (Business registration, et. al.), and File360 document imaging. The IT professionals specialize in application development, IT server and network infrastructure, database administration, cyber security, and customer service. This team enables the Department to capture digital payments and efficiently distribute funds that support critical government services.

Application Development - Responsible for the life cycle planning strategy of UTS through the phases of architecture, selection, deployment, change management, operations & production support, and product end-of-life. The team integrates current and emerging technologies, as well as participates in the legislative process when fiscal notes are requested for impact analysis work. Application Developers are divided into three different teams:

Department Organization and Functions, Continued

- The Internal Systems Team performs development work in the internal Tax Administration System (TAS) including implementing new taxes and providing system enhancements to address business needs.
- The Web Development Services Team performs development work on the public facing websites including the Nevada Online Tax Center (OLT) that allow taxpayers to file returns and pay online and otherwise interact with the Department in an online manner.
- The Production Support Team is a group of IT professionals that acts as an intermediary between the other application development teams and internal and external information system users.

Technical Services - Provides setup, design, configuration, deployment, and maintenance of all server, data storage, and networking devices to ensure UTS performance and stability.

- The Database Administration Team ensures the availability, reliability, performance, and security of mission-critical taxpayers' structured data. They also assist the application development team with database features and integrity of data and relational design. This team ensures that the data for major applications are safe and recoverable under a variety of risks.
- The Technical Team maintains and enhances the network and server infrastructure, including the physical and virtual servers and the associated network-attached storage upon which a majority of the Department's internal and external information systems run, such as TAS, OLT, and a data warehouse.
- The Customer Support Team provides end-user support on TAS, user management and batch/night operations, technical assistance and support related to computer systems and hardware and software support. The team also manages IT procurement to ensure the availability of IT Services. In a changing environment, they learn and adapt as a team for future implementations to provide the necessary technical support.

Information Security Officer - Acts as a principal information security advisor to provide insights and guidance to the Department to reduce the impact of cyber threats; maintains and implements an information security program to safeguard the confidentiality, integrity and availability of taxpayers' information. Ensures Taxation employees and contractors follow applicable Federal, State, and Department information security policies, procedures, and maintains the information security awareness program.

Excise and Local Government Services (ELGS): ELGS is comprised of two main sections with many different sub-sections that provide specialized services.

Excise Tax Section - Administers a variety of excise taxes within the State, including, without limitation, those for Gold and Silver, Liquor, Cigarettes, Other Tobacco Products, Retail and Wholesale Cannabis, Live Entertainment, Insurance Premiums and a variety of other taxes and fees. This Section also performs background and field inspections and investigations of unregistered businesses and liquor, cigarette, and other tobacco product contraband. This is accomplished by a set of 3 different teams within the Excise Section.

Local Government Services Section (LGS) - Administers and oversees various property tax and real property transfer tax programs as well as providing oversight to the financial administration of local governments. Appraises all centrally assessed property, establishes guidelines for the county assessor, conducts the ratio study, ensures statewide compliance with assessment standards established by the NTC, and administers the Net Proceeds of Minerals Tax and the Real Property Transfer Tax. The certification of appraisers for purposes of taxation of property are monitored and administered by LGS as well. These various duties are accomplished by 4 different teams within LGS: Centrally Assessed Property Section, Local Government Finance Section, Locally Assessed Properties Section, and Audit Section.

Compliance Division: Conducts Collections, Taxation Services, and Audits.

Revenue Section - Revenue is comprised of Collections Unit and Taxation Services Unit with support staff across three district offices.

Department Organization and Functions, Continued

- Collections Unit: Monitors taxpayer accounts for compliance with statutes, regulations and reporting requirements; collects taxes on delinquent accounts; pursues legal routes and remedies as stewards of state tax revenues, assists taxpayers with compliance, and appears and testifies in closed administrative hearings and public meetings. The Collections Section includes a special team which focuses on bankruptcies and other collections related programs.

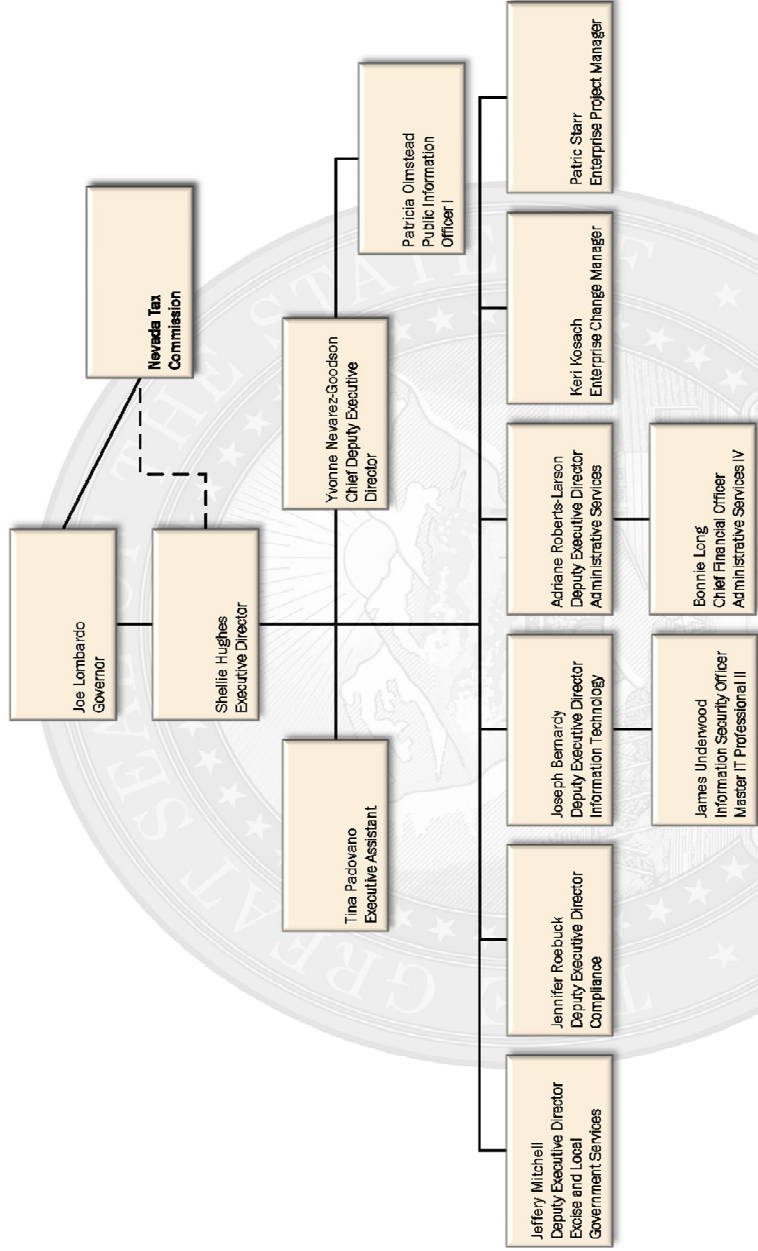

- Taxation Services Unit: Serves as the front-line support for taxpayers and the public. Staff are located in the Call Center and district offices. Staff provide general taxpayer education, information and assistance with registration, the taxability of transactions, and reporting requirements; receives returns and payments, registration and fees for permits, and applications for penalty and interest waivers; and manages numerous programs, such as Religious, Charitable and Education exemptions and National Guard exemptions.

Taxation Services staff conduct monthly workshops called "Ask the Advisor" and provide general taxpayer education through publications and informational pamphlets.

Audit Sections - Administers a comprehensive audit program to ensure taxpayer compliance for numerous tax programs and conducts specialized audits for the Deferral and Abatement Program and excise taxes. The Audit section uses discovery programs based on comparisons of information from other taxing authorities. Audit staff conduct taxpayer workshops on technical issues and record-keeping as well as on preparing for an audit. Audit also verifies the accuracy of amended returns for credit or refund requests.

RATE	1.75 percent of all taxable sales and taxable items of use.
CURRENT DISTRIBUTION OF REVENUE	98.25 percent of total collections returned to local governments through Consolidated Tax Program based on distribution formula; 1.75 percent to State General Fund.

HISTORY

ORIGINALLY ENACTED	1981 session of State Legislature; effective May 1, 1981.
AMENDMENTS	1983 Fire districts organized pursuant to Chapter 473 of Nevada Revised Statutes to be included in the distribution. Shifted authority to grant reserve fund distributions from the Interim Legislative Committee on Local Government Finance to the Nevada Tax Commission.

Supplemental City/County Relief Tax Revenue (continued)

AMENDMENTS
(continued)

- 1985 Changed distribution of excess supplemental city/county relief tax receipts. When all entities within a county have received the maximum supplemental city/county relief tax allowable, excess is then deposited in the Reserve Fund. Shifted authority to grant Reserve Fund distributions from the Nevada Tax Commission to the Interim Finance Committee. Established the following maximum Reserve Fund amounts: 1.) \$10,000,000 for distribution to local governments in the event actual receipts in any one year are less than the estimated receipts for that year. 2.) \$2,500,000 for emergency distributions to local governments if unforeseen or uncontrollable conditions, existing or imminent, substantially impair the financial capacity of a local government to provide the basic services for which it was created. 3.) Any amount in excess of \$12,500,000 in the fund, at the beginning of the year, must be distributed to local governments in the following fiscal year.
- 1987 Eliminated redevelopment districts from the distribution of supplemental city/county relief tax.
- 1989 Removed the limitations on the amount of supplemental city/county relief tax a local government may receive in any one fiscal year. Eliminated the Reserve Fund and created the Emergency Fund of the supplemental city/county relief tax. The amount of the fund was set at \$2,500,000. Created the Redistribution Fund for the supplemental city/county relief tax and provided specific dollar allocations to the Town of Laughlin, Clark County, Churchill County and Elko County.
- 1991 Changed distribution of supplemental city/county relief tax at the county level. First a group of selected counties receive a guaranteed distribution from the total collections. The remaining funds are allocated to a second group of counties based on the percentage of county collections to the total collections for the group. Adjustments to ease the impact of the legislation to certain counties are made to the distribution formula. Counties in the guaranteed group will be moved into the point-of-origin group if their collections outpace their distribution by 10 percent in a fiscal year. Intracounty distributions were not amended by the Legislature. The Local Government Tax Act of 1991 authorized certain counties that were negatively impacted by the rebasing of the distribution formula to impose certain taxes to make up the revenue loss.
- 1993 The Local Government Tax Act of 1993 authorized certain counties that were negatively impacted by additional rebasing of the distribution formula to impose certain taxes to make up the revenue loss. These additional taxes, if imposed, are to be levied from October 1, 1993 through September 30, 1994.
- Effective July 1, 1993 General Fund Commission increased to 1 percent on in-state and out-of-state collections.
- 1997 The 1997 Legislature created the Consolidated Tax Program. Beginning FY 98-99, the Department implemented the program that combines BCCRT, SCCRT, Cigarette Tax, Liquor Tax, Real Property Transfer Tax and Motor Vehicle Privilege Tax into one monthly distribution. Total allocation by county is transferred to the Consolidated Tax Account for distribution to individual local governments within the county.
- 1999 Effective July 1, 1999 General Fund Commission decreased to .75 percent on in-state and out-of-state collections.
- 2009 Effective July 1, 2009 General Fund Commission increased to 1.75 percent on in-state and out-of-state collections.

CURRENT DISTRIBUTION OF REVENUE

Up to 75 percent of the Sales and Use Tax generated in a Tourism Improvement District may be pledged toward the repayment of the bonds. The pledge does not include Local Option Sales and Use Taxes, or any amount above 2.25 percent of the Local School Support Tax rate. 1.75 percent commission to the State General Fund for Sales and Use Tax and City-County Relief Tax; 0.75 percent commission to the State General Fund for Local School Support Tax.

HISTORY

ORIGINALLY ENACTED

2005 session of State Legislature. Became effective July 1, 2005.

The statute provides the means for municipalities to create Tourism Improvement Districts. The taxable sales generated in these districts may be pledged toward the payment of bonds issued by the municipality to finance projects in the districts.

AMENDMENTS

2009

Effective July 1, 2009- General Fund Commission increased to 1.75 percent on in-state and out-of-state collections for Sales and Use Tax and City-County Relief Tax.

2013

Senate Bill 406 exempts the Local School Support Tax from being pledged for any Tourism Improvement Districts created or revised after July 1, 2013. It also revises the requirements for contractors and subcontractors operating within the district.

LEGAL CITATION

Chapter 360 Nevada Revised Statutes.

CURRENT DISTRIBUTION OF REVENUE

Per NRS 360.600 through NRS 360.740; Revenues from the Supplemental City-County Relief Tax (SCCRT), Basic City-County Relief Tax (BCCRT), Cigarette Tax, Liquor Tax, Government Services Tax (GST) and Real Property Transfer Tax (RPTT) are pooled at the county level for distribution to the local governments under a single formula.

For counties, cities, towns and special districts, the prior year total distribution or prior year base is increased by the change in Consumer Price Index (CPI) over the immediately preceding 5 calendar years to create the ensuing year base allocation. To the extent that there is revenue (from the six sources) in excess of what is necessary to allocate the base amount to the various local governments, the excess revenue will be distributed using a formula that incorporates population and growth statistics. "Enterprise" districts (user-fee based entities) initial base distribution is the amount that will be distributed for all subsequent fiscal years.

HISTORY

ORIGINALLY ENACTED

1997 session of State Legislature created the Local Government Tax Distribution Fund.

A base amount of revenue was initially established under the 1997 legislation. For counties, cities, towns and special districts, the total distribution is increased by the change in CPI over the prior calendar year to create the ensuing year base allocation.

Consolidated Tax (continued)

AMENDMENTS

2001

For counties, cities, towns and special districts, the lesser of prior year total distribution or prior year base is increased by the change in CPI over the prior calendar year to create the ensuing year base allocation.

"One Plus" component of excess distribution to be phased out over the next 4 years.

The City of Henderson received a one time base increase of \$4,000,000.

2005

SB 38 provides an additional method for calculating the excess amount of the base monthly amount to be allocated to local governments in which: (1) the average amount of the assessed valuation of taxable property attributable to the net proceeds of minerals over the preceding 5 fiscal years is at least \$50 million; (2) the average percentage of change in the population over the preceding 5 fiscal years is a negative figure; or (3) both. The bill applied retroactively to January 1, 2005, but did not affect money previously distributed to local governments.

IMPOSITION AND RATE

Exhibition fee is \$5,000 if paid annually. Or if paid quarterly, the fee is equal to the number of businesses without a state business license taking part in each exhibition, multiplied by the number of days on which the exhibition is held, multiplied by \$1.25.

CURRENT DISTRIBUTION OF REVENUE

State General Fund.

HISTORY

ORIGINALLY ENACTED

Business License Fee was originally enacted during the 2003 Legislation Session as a fee on a person for the privilege of conducting business in this State, effective October 1, 2003. It replaced the business license requirement in 364A, repealed September 30, 2003.

AMENDMENTS

2005

Amended effective July 1, 2005, by the 22nd Special Session of the Nevada Legislature to include a licensing fee for exhibition facilities.

2009

Amended effective October 1, 2009 by Assembly Bill 146 of the 75th Session of the Nevada Legislature. Assembly Bill 146 transferred the administration of the Business License fee from the Department of Taxation to the Nevada Secretary of State. The administration of the Exhibition Facilities fee remains with the Department of Taxation.

LEGAL CITATION

Chapter 363A, 363B, Nevada Revised Statutes.

IMPOSITION AND RATE

Tax is imposed on general businesses, financial institutions, and any entity subject to Net Proceeds of Minerals tax. For general businesses the tax rate is 1.378 percent of the amount by which the sum of all wages exceeds \$50,000 for the calendar quarter. The tax rate for financial institutions and entities subject to Net Proceeds of Minerals is 1.853 percent of the gross wages paid by the employer during the calendar quarter. There is an allowable deduction from the gross wages for amounts paid by the employer for qualified health insurance or a qualified health benefit plan. The tax is due on or before the last day of the month immediately following the calendar quarter.

CURRENT DISTRIBUTION OF REVENUE

Tax collected is distributed to the State General Fund. Fifty percent of the tax paid by an entity which was directly recruited/assisted in locating to Nevada by a qualifying economic development agency is distributed back to that agency for a period of ten years.

HISTORY

ORIGINALLY ENACTED

2003 Special Session of the State Legislature, effective July 1, 2003. This tax replaces the Business Tax under NRS 364A which was repealed September 30, 2003.

Modified Business Tax (continued)

AMENDMENTS (continued)	2003	The 2003 Special Session of the State Legislature set the initial tax rate of 0.7 percent for general businesses, effective July 1, 2003 through June 30, 2004. The rate decreased to 0.65 percent effective July 1, 2004 through June 30, 2005. The rate for general businesses decreased to 0.63 percent effective July 1, 2005. A 2% tax rate imposed upon financial institutions.
	2009	Senate Bill 429 of the 2009 Session of the State Legislature changed the tax to a two-tiered rate for General Businesses. The rate on the first \$62,500 of taxable wages is 0.5 percent; wages above \$62,500 are taxed at 1.17 percent. The rate for Financial Institutions was not changed.
	2009	Assembly Bill 317 of the 2009 Session of the State Legislature provides for a 50 percent distribution of Modified Business Tax paid by a business for a period of 10 years to a redevelopment agency that is responsible for locating a business in the state between July 1, 2009 and June 30, 2011.
	2011	Assembly Bill 561 of the 2011 Session of the State Legislature changed the rate to 1.17 percent on taxable wages paid above \$62,500 in a calendar quarter. There is no tax on wages paid which are less than \$62,500 in a calendar quarter. The new rate applies from July 1, 2011 through June 30, 2013.
	2013	Senate Bill 475 of the 2013 Session of the State Legislature became effective July 1, 2013. The changes under this bill extend the 0% rate on Tier 1 of the MBT to June 30, 2015. Additionally, the Tier 1 threshold is increased from \$62,500 to \$85,000. If the sum of all taxable wages, after health care deductions, paid by the employer does not exceed \$85,000 for the calendar quarter, the amount of tax is 0% of the sum of those wages. If the sum of all the wages paid by the employer exceeds \$85,000 for the calendar quarter, the tax is 1.17 percent of the amount of the wages that exceeds \$85,000.
	2015	Senate Bill 483 of the 2015 Session of the State Legislature became effective July 1, 2015. The changes under this bill bring the rate to 1.475 percent from 1.17 percent. Additionally, the new threshold is decreased from \$85,000 to \$50,000 per quarter. If the sum of all taxable wages, after health care deductions, paid by the employer does not exceed \$50,000 for the calendar quarter, the amount of tax is \$0. If the sum of all the wages paid by the employer exceeds \$50,000 for the calendar quarter, the tax is 1.475% of the amount of wages that exceeds the \$50,000.
	2019	Senate Bill 551 of the 2019 Session of the State Legislature eliminated the rate reduction mechanism for the Modified Business Tax (MBT), which the Department used to determine whether the rates of the MBT taxes should be reduced in future fiscal years, and maintains the existing tax rates of 2 percent for financial institutions and mining entities, and 1.475 percent for general businesses.
	2021	In May 2021, the Nevada Supreme Court upheld the First Judicial District Court ruling that certain actions by the Legislature in Senate Bill 551 (2019) were unconstitutional. As a result, effective April 1, 2021 the Modified Business Tax rates were reduced to those that were determined by the Department in the fall of 2018, to become effective July 1, 2019 pursuant to NRS 360.203. The rate for General Business was reduced from 1.475 percent to 1.378 percent, while the rates for Financial and Mining Institutions were reduced from two percent to 1.853 percent. The court ruling additionally required the Department to issue refunds with interest to taxpayers for all overpayments made during Fiscal Years 2020 and 2021 as a result of the legislative and court actions.
	2022	In September 2022, the Modified Business Tax Rate Reduction Determination was completed per NRS 360.203 and a rate reduction was calculated to become effective July 1, 2023. The rate for General Business was reduced from 1.378 percent to 1.170 percent, while the rates for Financial and Mining Institutions were reduced from 1.853 percent to 1.554 percent. Additionally, this calculation will not be required going forward as the 1.170 percent may not be lowered further as stated in NRS 360.203 subsection 4.

Liquor Tax Revenue (continued)

DISTRIBUTION (continued)	1943	5 percent maximum for administration; balance to General Fund.
	1949	All revenue to General Fund, administration costs appropriated.
	1969	All revenues to General Fund except 5/19 of that collected on liquor over 22 percent which is allocated accordingly: No cities - 100 percent to county. One city - based on population ratio of county and city. Two or more cities - to cities based on population.
	1981	Additional 15 cent tax on over 22 percent alcohol allocated to the Account for Alcohol and Drug Abuse in the Department of Human Resources Gift Fund.
AMENDMENTS	1945	Changed from Stamp Tax to Excise Tax.
	1955	Allowed 2 percent tax discount to importer.
	1961	Allowed 3 percent tax discount to importer.
	1969	Raised rate for over 22 percent alcohol content from \$1.40 to \$1.90 and allocated 50 cents of that rate to counties and cities.
	1981	Raised rate for over 22 percent alcohol content from \$1.90 to \$2.05 allocating 50 cents of that rate to counties and cities and 15 cents to the Account for Alcohol and Drug Abuse in the Department of Human Resources Gift Fund.
	1983	Raised rates for beer to 9 cents per gallon; liquor up to 14 percent alcohol content, 40 cents per gallon; over 14 percent up to 22 percent alcohol content, 75 cents per gallon. Over 22 percent alcohol content remained at \$2.05 per gallon.
	1995	An applicant for a certificate of compliance must pay a \$50 fee. This fee is renewable on or before July 1st of each year. Assembly Bill 594, effective July 2, 1995, prohibited a person from operating a brew pub without a brew pub's license; added the definition of a brew pub and provided language for the operations of a brewpub.
	1997	The 1997 Legislature created the Consolidated Tax Program. Beginning FY 98-99, the Department implemented the program that combines BCCRT, SCCRT, Cigarette Tax, Liquor Tax, Real Property Transfer Tax and Motor Vehicle Privilege Tax into one monthly distribution. Total allocation by county is transferred to the Consolidated Tax Account for distribution to individual local governments within the county.
	1999	Senate Bill 428, effective June 7, 1999 increased the amount of wine a Nevada resident may import from one gallon per month to twelve cases per year for personal or household use. Other alcoholic beverages remain at one gallon per month.
	2001	Assembly Bill 12, effective June 15, 2001, authorized the transfer of liquor (not including beer), between affiliated retailers that hold non-restricted gaming licenses.

IMPOSITION AND RATE

Tax on revenues from rental of transient lodging is imposed at the rate of at least 1 percent of the gross receipts in a county with a population of less than 700,000. Tax on revenues from the rental of transient lodging is imposed at the rate of 2 percent of the gross receipts in a county with a population of 700,000 or more. An additional tax rate of 3 percent of the gross receipts from the rental of transient lodging is imposed in a county whose population is 300,000 or more.

The local boards of county commissioners are responsible for the imposition and collection of the lodging tax, while the Department of Taxation records and transfers the revenue to the appropriate state budget accounts.

CURRENT DISTRIBUTION OF REVENUE

In counties whose population is 700,000 or more, proceeds from 3/8 of the 1 percent rate must be paid to the Department of Taxation for deposit with the State Treasurer for credit to the Fund for the Promotion of Tourism, the remaining proceeds are transmitted to the county treasurer for the deposit in the county school districts fund for capital projects.

In counties whose population is less than 700,000, 3/8 must be paid to the Department of Taxation for deposit with the State Treasurer for credit to the Fund for the Promotion of Tourism, 5/8 must be deposited with the county fair and recreation board or, if no such board was created, with the board of county commissioners to be used to advertise resources of that county related to tourism.

Lodging Tax Revenue (continued)

HISTORY

ORIGINALLY ENACTED

1983 session of State Legislature, effective May 9, 1983.

AMENDMENTS

2009

Initiative Petition 1 (IP 1) of the 2009 Session of the State Legislature imposed an additional 3 percent tax in counties with populations greater than 300,000 for remittance to the State General Fund. If the lodging tax rate on July 31, 2008 was under 10 percent, an additional lodging tax rate of 3 percent will be imposed. If the lodging tax rate exceeded 10 percent on July 31, 2008, the tax imposed is at a rate equal to the difference between 13 percent and the sum of the rates of the existing taxes. Any increase in the rate of an existing tax after July 31, 2008 does not reduce the rate of the tax imposed under IP 1. As of July 1, 2011 the additional percentage imposed by IP 1 is deposited into the State Supplement School Support Fund.

2019

Senate Bill 543 created the State Education Fund. Effective July 1, 2021, the Department of Taxation will distribute 3% of receipts from counties that have populations over 300,000 to the State Education Fund account and 3/8% to Tourism pursuant to NRS 387.191.

IMPOSITION AND RATE

A fee imposed on the short-term lease of passenger vehicles. The fee is 10 percent of lease charges. Fees are due on a quarterly basis.

Effective April 1, 2004, Washoe County imposed a fee at the rate of 2 percent of lease charges with 0.25 percent of that amount going to the Department of Taxation for Collection allowance.

Effective July 1, 2005 Clark County imposed a fee at the rate of 2 percent of lease charges with 0.10 percent of that amount going to the Department of Taxation for Collection allowance.

CURRENT DISTRIBUTION OF REVENUE

State General Fund, Washoe County and Clark County.

HISTORY

ORIGINALLY ENACTED

1993 Session of the State Legislature, effective July 9, 1993.

AMENDMENTS

1997

Assembly Bill 388, effective July 1, 1997, transferred the responsibility for the collection of the short-term lease fees from the Department of Motor Vehicles and Public Safety to the Department of Taxation.

Short Term Car Lease Fee Revenue (continued)

AMENDMENTS (continued)	2001	Assembly Bill 460, effective January 1, 2002, changed Short-Term Lessor Fee to Government Services Fee. The filing of returns was changed from annual to quarterly reporting. The credit previously allowed for vehicle licensing fees and tax was removed, and a Recovery Surcharge Fee of up to 3.5 percent of lease amount was added to allow lessors to recover the cost of fees and taxes.
	2003	Senate Bill 497 effective June 10, 2003, authorized the county commissioners of a county whose population is 100,000 or more, but less than 400,000 (Washoe County only) to impose a fee of up to 2 percent of the lease of certain passenger cars by a short-term lessor. The bill also increased the recovery surcharge from 3.5 percent to an amount not to exceed 4 percent of the total amount for which the passenger car was leased. Assembly Bill 16, effective July 1, 2003, authorizes the county commissioners of a county whose population is 400,000 or more (Clark County only) to impose a fee of up to 2 percent on the lease of certain passenger cars by a short-term lessor.
	2007	Assembly Bill 595 effective October 1, 2007, requires one-quarter of the Short-Term Lessor Recovery Surcharge to be allocated to the Highway Construction Fund.
	2008 (25th Special Session)	Senate Bill 2 was effective from January 1, 2009 through June 30, 2009. It required an additional one-quarter of the Short-Term Lessor Recovery Surcharge to be allocated to the General Fund.
	2009	Senate Bill 234, effective October 1, 2009, changes the Short Term Car Lease Fee from 6 percent to 10 percent, with one tenth of this amount or 1% being allocated to the State Highway Fund.
	2011	Assembly Bill 561, effective July 1, 2011, eliminates the distribution to the State Highway Fund.
	2021	Senate Bill 389 provides for the regulation and licensing of peer-to-peer car sharing programs by the Department of Motor Vehicles, and also provides that passenger cars that are shared through such a program are subject to a Short Term Car Lease Fee that is identical to the fee already collected by the Department of Taxation on the rental of other passenger cars in this state, effective October 1, 2021. In accordance with NRS 360.255 taxpayer disclosure regulation, the Peer-to-Peer Car Sharing Fee revenues are included in the totals of Short Term Car Lease Fee revenues.

IMPOSITION AND RATE

An excise tax on the retail sale of cannabis or cannabis products by a retail cannabis store in Nevada, at a rate of 10 percent of the sales price of the cannabis or cannabis product.

CURRENT DISTRIBUTION OF REVENUE

The State Education Fund.

HISTORY

ORIGINALLY ENACTED

2017

2017 Session of State Legislature, effective July 1, 2017.

AMENDMENTS

2019

Senate Bill 545 of the 2019 Session of State Legislature requires that these revenues be deposited in the State Distributive School Account in the State General Fund and removed the requirement for the deposit to the Stabilize the Operation of the State Government account of the State General Fund, effective July 1, 2019.

Senate Bill 543 of the 2019 Session of State Legislature created the State Education Fund and required revenue be deposited into the fund, in addition to direct legislative appropriations from the State General Fund, effective June 14, 2019. Beginning July 1, 2021, funds distributed to State Education Fund.

*Effective January 1st, 2023, Fair Market Value associated with the Wholesale Cannabis Tax changed from a semi-annual to a quarterly based calculation.

LEGAL CITATION

Chapter 372A, Nevada Revised Statutes.

IMPOSITION AND RATE

An excise tax at the rate of 15 percent of either: the Fair Market Value at Wholesale of Cannabis for sales to an affiliate; or the contracted sales price for sales to a non-affiliate. The tax is the obligation of the cultivation facility and is levied on the first transfer of cannabis only. Additionally, any Medical Marijuana Tax revenue received in Fiscal Year 2021 as late payments for tax obligations in prior fiscal years were combined with and distributed as Wholesale Cannabis Tax.

CURRENT DISTRIBUTION OF REVENUE

Cannabis Compliance Board.

HISTORY

ORIGINALLY ENACTED

The Medical Marijuana Tax was established by the 2013 Session of the State Legislature and became effective April 1, 2014. The rate was 2 percent and the tax was levied on each transfer by a medical cannabis cultivator, product manufacturer, and dispensary. Seventy-five percent of the proceeds of the tax were distributed to the State Distributive School Account and 25 percent to pay the costs of the Division of Public and Behavioral Health in carrying out the provisions of NRS 453A.

Wholesale Cannabis Tax Revenue (continued)

AMENDMENTS	2016	Wholesale Cannabis Tax for adult-use cannabis established by initiative petition, Ballot Question no. 2, codified as NRS 453D.
	2017	Senate Bill 487 of the 2017 Session of the State Legislature eliminated the Medical Marijuana Tax on transfers by medical product manufacturers and dispensaries and changed the rate from 2 to 15 percent on medical cultivators to align with the Wholesale Cannabis Tax established by Ballot Question 2. SB 487 also changed the distribution to align with the Wholesale Cannabis Tax to first fund the costs of the Department (which took over the medical cannabis program on July 1, 2017) and local governments and distribute any remaining revenue to the State Distributive School Account.
	2019	Senate Bill 533 of the 2019 Session of State Legislature requires that these revenues be distributed to the Cannabis Compliance Board.
	2023	Assembly Bill 430 of the 2023 Session of the State Legislature revised the Wholesale Cannabis Tax to be levied on the first initial wholesale sale at 15% of either the Fair Market Value at Wholesale for sales to an affiliate; or the contracted sales price for sales to a non-affiliate.

2021

2021 Session of State Legislature, effective July 1, 2021.

Assembly Bill 495 was enacted by the 2021 Session of the State Legislature. Sections 1 to 44, inclusive, 46 to 50, inclusive, 52 to 55, inclusive, and 57 to 62, inclusive, of this act become effective on July 1, 2021. Sections 45, 51 and 56 of this act become effective on July 1, 2023.

CERTIFICATION OF PROPERTY TAX APPRAISERS

All persons who are employees of or independent contractors for the State or any of its political subdivisions and who perform the duties of an appraiser for tax purposes must hold a valid appraiser certificate issued by the Department of Taxation.

The Department issues an appraiser certificate to any person who has successfully passed the appropriate certification exam. Persons holding a professional designation may be able to waive taking certain portions of the exam.

Each person who holds an appraiser certificate must complete 36 contact hours of appropriate training in each succeeding fiscal year following certification. The 36 hour training requirement is waived for persons who either have accumulated 180 contact hours or hold a professional designation. These persons must complete 36 contact hours during every three year period thereafter.

Newly employed appraisers are issued a temporary certificate which expires two years following the employee's date of hire or upon successful completion of the appraiser certification exam, whichever occurs first. The temporary certificate is not renewable.

STATE BOARD OF EQUALIZATION
2023-2024 SUMMARY OF TRANSACTIONS* - SECURED PROPERTY VALUATIONS

The State Board of Equalization hears and determines appeals from action of county boards of equalization. The State Board also hears and determines direct appeals from valuations of the Nevada Tax Commission, agricultural conversion, exemptions and other types of appeals. Local Government Services is responsible for coordinating meetings of the State Board of Equalization.

Other responsibilities of the State Board of Equalization include equalizing property valuations in the State, by reviewing the tax rolls of the various counties as equalized by the county boards of equalization. If necessary, the State Board adjusts the valuations thereon in order to equalize property tax values.

RATIO STUDY

Under NRS 361.333, the Nevada Tax Commission is obligated to equalize property under its jurisdiction. Equalization is the process by which the Commission ensures "that all property subject to taxation within the county has been assessed as required by law." There are two types of information which the Commission considers to determine whether property has been assessed equitably. The first type of information comes from a ratio study, which is a statistical analysis designed to study the level and uniformity of the assessments. The second type of information comes from a performance audit which is designed to fulfill the requirements of NRS 361.333(1)(b)(2). The performance audit examines the work practices of the assessor to determine whether all property is being assessed in a correct and timely manner.

In addition, the State Board of Equalization is required to equalize property valuations in the state pursuant to NRS 361.395. The State Board also uses the information on county tax rolls and the Department's ratio study to determine if inter-county equalization is necessary (see page 63 for information regarding the amount of valuation increases or decreases as a result of equalization orders).

REAL PROPERTY TRANSFER TAX

LEGAL CITATION

Chapter 375.023 - 375.026 Nevada Revised Statutes.

IMPOSITION AND RATE

\$1.95 on each \$500 of value, or fraction thereof, on transfer of real property; except in Churchill and Washoe counties which impose \$2.05 and Clark county which imposes \$2.55, on each \$500 of value, or fraction thereof.

CURRENT DISTRIBUTION OF REVENUE

\$1.30 to the State General Fund, \$0.55 to Consolidated Tax, and \$0.10 to the Account for Low Income Housing. Only the State General Fund and Consolidated Tax portions are administered by the Department. In addition to this, Churchill and Washoe counties distribute an additional \$0.10 for the Local Government Tax Act and Clark county distributes an additional \$.60 for the School District.

HISTORY

ORIGINALLY ENACTED

Added to NRS in 1967.

REVISED TO INCLUDE STATE GENERAL FUND

2003 Special Session of State Legislature, effective October 1, 2003.

NET PROCEEDS OF MINERALS

The Nevada Department of Taxation determines the tax on the net proceeds of minerals pursuant to NRS Chapter 362. Producers annually report the gross yield of each separate extractive operation as well as expenses related to the extraction, processing, transportation, and marketing of the mineral. Royalty recipients report only the amount of royalties received. The Department calculates the net proceeds by deducting allowable expenses from the gross yield.

The tax rate on the net proceeds of each operation depends on the ratio of the net proceeds to the gross proceeds as provided in NRS 362.140. The maximum tax rate is five percent, applied to net proceeds in excess of \$4,000,000 annually and to all royalties. Taxpayers are required to estimate current year taxes. The Department certifies and bills the net proceeds tax due each year on April 20th, with final payment due by May 10th.

LOCAL GOVERNMENT FINANCE SECTION

The purpose of the Local Government Finance section is to oversee the financial administration of Nevada's counties, cities, schools and special districts. For the Fiscal Year ended June 30, 2024, this consisted of overseeing the financial activities of 17 counties, 19 incorporated cities, 47 unincorporated towns, 17 school districts, 162 special districts including 3 multi-county districts.

The major areas of responsibility of the section are contained within the provisions of the Local Government Budget & Finance Act (NRS 354.470 to 354.626, inclusive). The areas include overseeing the revenue limitations, indebtedness, budgets and audits of local governments. The section's functional responsibilities within each area include the following:

REVENUE LIMITATIONS

Taxes

Establish and monitor the maximum allowed revenue a local government may receive from property taxes.

Compile, calculate and prepare proforma projections of revenue a local government may receive from property taxes.

Calculate and prepare property tax rates to be certified by the Nevada Tax Commission.

Prepare and publish the Property Tax Rates Publication for Nevada Local Governments.

Fees for Licenses and Permits

Prescribe guidelines for calculating fee increases for business licenses and building permits.

Monitor for compliance the adoption or increase of fees for business licenses and building permits.

INDEBTEDNESS

Medium Term Obligations

Review and approve or disapprove medium term financing requests including lease/purchase obligations. The approval or disapproval is based upon the probable ability of the local government to repay the debt.

Annual Indebtedness Report

Analyze, for reasonableness, the annual indebtedness information submitted by the local governments.

Compile, prepare and publish the Annual Local Government Indebtedness Report.

BUDGETS

Examine, review, and approve local government budgets based on compliance or noncompliance with statutes and regulations. The examination procedures include but are not limited to the following:

1. Review in detail the form, classification and content of the local governments' estimated resources and expenditures/expenses;
2. Review and verify reported actual prior year resources and expenditures/expenses with the amounts contained in the local governments' audited financial statements.

The examination and approval process applies to tentative, final, amended and augmented budgets.

Prepare and provide local governments with a written certificate of compliance or a written notice of lack of compliance regarding their submitted budget documents.

Local Government Finance Section (con't)

AUDITS

Review annual independent audits of local governments to determine whether the audits comply with regulations adopted pursuant to NRS 354.594.

Refer to the State Board of Accountancy audits which do not adhere to regulations adopted pursuant to NRS 354.594.

Identify all statute and regulation violations reported within each audit.

Evaluate and monitor each local government's plan to correct the identified statute and regulation violations.

In addition, the Local Government Finance Division determines and advises local government officers of regulations, procedures and report forms for compliance with the Local Government Budget and Finance Act. The Division makes such determinations after hearing the advice and recommendations of the Committee on Local Government Finance.
