Unfortunately, I have no way to confirm the receipt of the appeal. That would have to be done by contacting the State of Nevada.
May I ask, what is the reason for the appeal?

Thank you,

Thanks Vincent, I was just making sure there wasn't a specific worksheet for Clark County that was needed with the Appeal request.

I submitted an appeal through the email yesterday to stateboard@tax.state.nv.us

Is there a way to verify it was received/approved? Or is the email being sent enough for being received. I know the deadline is tomorrow, so just want to make sure it is received before then.

Thanks for your help!

Hello Matthew,
The assessment for United Rentals was an estimate this year based on historic reporting. I estimated these accounts as they were underreported. The filed declaration that we received had a total cost of $6 million. We did not receive a filing that had a cost of $116 million.

Thank you for your response.

Can I please get an itemized list of what is being assessed. Our total cost of all report was $116,223,565.55 and assessed value of $28,594,291, where as you guys have $160,100,000 and $56,035,000. So I am trying to identify where the difference is coming from.

Hello Matthew,
Thank you for speaking with me on Thursday. Bellow is a recap of our conversation.
My understanding now is that when a particular piece of equipment reaches a certain point in its life, it is no longer available for rent and is removed from that inventory and placed for sale. Equipment is not moving back and forth from rental to resale inventory. The equipment that isn't currently rented out is not automatically being considered held for resale.
So that our office might better understand your company's process and policy would you please send me the following information:

- An excel file with the approximately 116 million in cost. What was filed with our office was approximately only 6 million in cost.
- Complete rent roll for Clark County.
- 100 rental receipts.
    - 50 items actively out for rent on July 1st, 2024.
    - 50 items being held available for rent but not rented on July 1st, 2024.
- GL showing how the equipment is being handled – capitalized or expensed.

Hello,
I am following up on my request for a complete declaration for the 2024/2025 fiscal year to be filed for United Rentals. This is the **fifth** request for a complete and usable personal property declaration to be filed with our office. Two requests were made prior these accounts being assessed and twice again after the appeal was filed - during our conference call on June 5th and by email on June 10th.

For the 2024/2025 fiscal year a paper document approximately 1000 pages in length, was mailed to our office dated July 29, 2024. On August 6th, a request was made for the filing to be completed online. What was submitted online was approximately 250 lines of data with a total cost of approximately $6 million. On December 10th, a second request for a complete electronic filing was made. An excel file was sent from our office to be updated and returned. We received back the same 250 lines of data with a total cost of approximately $6 million. Since we did not receive a complete or usable filing for United Rentals an estimate of value was assessed.

The appeal states that inventory held for resale was assessed. That is not correct. United Rentals was assessed an estimated value per NRS 361.265. However, as I have stated, if a complete and usable declaration is provided, I will review it to determine whether my estimate of value should be adjusted.

The purpose of my request for further information regarding the equipment held for lease and the equipment held for resale is to help us to determine what equipment should be assessed as personal property going forward.

Thank you,

Hello Vincent,

After discussions with United Rentals and review of their asset status/coding system, I find that the TY24 assets deemed Idle as of the lien date include the following reasons for categorizing as such;

- Available for Sale
- In Need of Repair/Parts/Inspection
- In Transit (not yet delivered to the location as of the lien date)
- Not in Use/Awaiting Pick Up

Once an asset comes off Rental Status, it moves into an Available category and back into inventory. The asset is then deemed Available for Sale or Purchase. All assets not associated with a rental agreement, as of the assessment lien date, are considered available for purchase from United Rentals. These assets are deemed as Idle within United Rentals records, as they are not in use for rental income producing purposes, as of the assessment lien date.

I hope you find this information helpful. Please let us know if you have any additional questions and we will get back to you as soon as possible.

Hello,
I have some questions regarding this appeal.
The term idle when referencing equipment generally is used to denote equipment that has a permanent or semi-permanent impairment. However, in this case I get the impression that your use of the term idle refers to equipment not currently out on rent, equipment waiting to be rented.

Is it your contention that rental equipment when not being rented should be considered sales inventory because it is available to be purchased?

On August 6th, a request was made for the filing to be completed online. What was submitted online was approximately 250 lines of data with a total cost of approximately $6 million. On December 10th, a second request for a complete electronic filing was made. An excel file was sent from our office to be updated and returned. We received back the same 250 lines of data with a total cost of approximately $6 million. Since we did not receive a complete or usable filing for United Rentals an estimate of value was assessed.

The appeal states that inventory held for resale was assessed. That is not correct. United Rentals was assessed an estimated value per NRS 361.265. However, as I have stated, if a complete and usable declaration is provided, I will review it to determine whether my estimate of value should be adjusted.

The purpose of my request for further information regarding the equipment held for lease and the equipment held for resale is to help us to determine what equipment should be assessed as personal property going forward.

Thank you,

Subject: [EXT] RE: United Rentals SBOE 153 - 2024/205 personal property declaration request

Hello Matthew,
I have reviewed this information. Please find the attached stipulation letter. My recommendation is that the taxable value be reduced from $160,100,00 to $132,971,632.
I will replace the estimate of value which was placed on this personal property per NRS 361.265 with an assessment calculated from the amended declaration provided.
However, the personal property listed on the "idle" worksheet will be assessed along with equipment out for rent. It is rental equipment waiting to be rented which is still taxable under Nevada law.

Available for Sale
Per NRS 361.068 the exemption applies to property held for sale. This exemption depends on intent at purchase. Where an asset was purchased for the purpose of leasing and is used to generate rental income (including periods 'off rent'), that asset is not inventory held for sale and is assessable personal property. It is not eligible for the exemption simply because it is temporarily off rent or because the owner considers it is for sale.
It should be noted that I have made multiple requests for accounting records and rental receipts for the purpose of determining whether the exemption in NRS 361.068 1b is applicable.

In Need of Repair/Parts/Inspection | In Transit (not yet delivered to the location as of the lien date) | Not in Use/Awaiting Pick Up
All property, in the State of Nevada unless otherwise provided by law is subject to taxation. There is no exemption for personal property that isn't in use, being utilized, or earning income as of the lien date.

Hello Vincent,

After discussions with United Rentals and review of their asset status/coding system, I find that the TY24 assets deemed Idle as of the lien date include the following reasons for categorizing as such;

- Available for Sale
- In Need of Repair/Parts/Inspection
- In Transit (not yet delivered to the location as of the lien date)
- Not in Use/Awaiting Pick Up

Once an asset comes off Rental Status, it moves into an Available category and back into inventory. The asset is then deemed Available for Sale or Purchase. All assets not associated with a rental agreement, as of the assessment lien date, are considered available for purchase from United Rentals. These assets are deemed as Idle within United Rentals records, as they are not in use for rental income producing purposes, as of the assessment lien date.

I hope you find this information helpful. Please let us know if you have any additional questions and we will get back to you as soon as possible.

Hello,
I have some questions regarding this appeal.
The term idle when referencing equipment generally is used to denote equipment that has a permanent or semi-permanent impairment. However, in this case I get the impression that your use of the term idle refers to equipment not currently out on rent, equipment waiting to be rented.

Is it your contention that rental equipment when not being rented should be considered sales inventory because it is available to be purchased?

Hi Matthew,
I have revised my stipulation letter. The office trailers and the modular office buildings are assessed separately from the regular personal property accounts. I've spoken with the customer service manager in our office, Sharon Henry, and she will be taking care of these through her department. To avoid double taxation, I assigned them $0 taxable value on my valuation calculation. The result is a $127,084,024 value.

I will review these and let you know if I have any questions. Attached is my revised stipulation letter. I realized as I was reviewing my calculations that I was assigning taxable value to a handful of vehicles that would be licensed through the DMV and exempt from personal property taxes. It isn't a huge change downward, but I want this to be correct.
On the list of idle equipment, were you able to determine which items fall under which of the four categories?

Also, we would like to see three years of income and expenses and balance sheets if possible.

Case # 153

Exhibit J

NV SB196

Authorizes a heavy equipment rental company to charge a recovery fee to offset taxes levied on certain heavy equipment. (BDR 32-19)

Views: In the last 45 WEEK 50 MONTH 64 TOTAL

Under existing law, all property of every kind and nature in this State is subject to property taxes unless the property is exempt from such taxation. (NRS 361.045) In general, this bill authorizes a heavy equipment rental company that is primarily engaged in the business of renting heavy equipment, without an operator, from a location in this State to charge a recovery fee to offset the property taxes levied on such heavy equipment. Under existing regulations, such a recovery fee would be excluded from the sales or use tax charged for the rental of the heavy equipment. (NAC 372.940) Section 13 of this bill authorizes such a heavy equipment rental company to charge a recovery fee in an amount not to exceed 2 percent of the rental charge for the rental of the heavy equipment. Under section 13, a heavy equipment rental company that charges a recovery fee is required to: (1) separately state on the invoice provided to the renter the amount of the recovery fee charged to the renter; (2) hold the recovery fee in a separate account; and (3) use the proceeds of the recovery fee to offset the property taxes levied on heavy equipment rental property. Section 14 of this bill exempts from the charging of a recovery fee the rental of any heavy equipment rental property to certain governmental entities. Section 15 of this bill requires a heavy equipment rental company to submit to the Department of Taxation an annual report stating the amount of the recovery fees collected by the heavy equipment rental company during the immediately preceding fiscal year and the amount of the property taxes levied on the heavy equipment rental property of the heavy equipment rental company for the immediately preceding fiscal year. Sections 4-10 of this bill define certain terms relating to the imposition of the recovery fee on the rental of heavy equipment rental property. Section 3 of this bill establishes the applicability of those definitions. Sections 11 and 12 of this bill establish provisions governing the retention and examination of records relevant to the recovery fee. Section 16 of this bill provides that a person who submits a false or fraudulent report concerning the recovery fee or falsifies entries in or keeps more than one set of books, records or accounts, with intent to defraud in violation of the requirement to use the recovery fees only to offset property taxes, is guilty of a gross misdemeanor.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1.
(Deleted by amendment.) - 83rd Session (2025)

Sec. 2.
Chapter 361 of NRS is hereby amended by adding thereto the provisions set forth as sections 3 to 16, inclusive, of this act.

Sec. 3.
As used in sections 3 to 16, inclusive, of this act, unless the context otherwise requires, the words and terms defined in sections 4 to 10, inclusive, of this act have the meanings ascribed to them in those sections.

Sec. 4.
1. "Affiliate" means a person who, directly or indirectly, through one or more persons or intermediaries, controls, is controlled by or is under common control with a specified person. 2. As used in this section, "control" means: (a) Direct or indirect ownership, control or possession of 50 percent or more of the equity ownership of a person; or (b) Possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract or through other means.

Sec. 5.
1. "Heavy equipment rental company" means a person who is classified under 532412 or 532310 of the North American Industry Classification System, and is primarily engaged in the business of renting heavy equipment rental property, without an operator, to the public from a location in this State. 2. The term does not include a person who is: (a) Engaged in the business of renting heavy equipment rental property primarily to related persons or affiliates who operate or drive, or both operate and drive, such equipment, regardless of the NAICS code that applies to the business; or (b) Primarily engaged in the business of renting heavy equipment rental property with an operator.

Sec. 6.
"Heavy equipment rental property" means property, machinery and equipment held in the inventory of a heavy equipment rental company for sale or rental in the regular course of business. The term includes, without limitation, property, machinery and equipment that is customarily used or designed for construction and industrial purposes, including, without limitation, earthmoving equipment, lift equipment, material handling equipment, pumps, generators, compressors, portable power equipment, heating, ventilation and air conditioning equipment, portable offices, containers, tank trailers and self- propelled equipment. - 83rd Session (2025)

Sec. 7.
"North American Industry Classification System" or "NAICS" means the 2022 North American Industry Classification System, as published by the Bureau of the Census of the United States Department of Commerce.

Sec. 8.
"Rent," "rental" or "renting" means entering into an agreement with a heavy equipment rental company for the use of heavy equipment rental property in exchange for consideration for a period: 1. Not to exceed 365 days; or 2. That is open-ended under the terms of the rental contract with no specified end date.

Sec. 9.
1. "Rental charge" means the total amount of consideration, including, without limitation, cash, credit, property and services, charged by a heavy equipment rental company for the rental of heavy equipment rental property, valued in money, whether received in money or otherwise, and without any deduction for: (a) The cost of the heavy equipment rental property to the heavy equipment rental company; (b) The cost of materials used, labor or service cost, interest paid, losses, the cost of transportation to the heavy equipment rental company, taxes imposed on the heavy equipment rental company or any other expense of the heavy equipment rental company; and (c) Any charges by the heavy equipment rental company for any services necessary to complete the rental, including, without limitation, any delivery charges which are not stated separately and any installation charges which are not stated separately. 2. The term does not include: (a) Any fees or charges for the delivery or transportation of heavy equipment rental property which are stated separately; (b) Any installation or other service charges which are stated separately; (c) Any discounts, including, without limitation, those in the form of cash, term or coupons that are not reimbursed by a third party, which are allowed by the heavy equipment rental company and taken by the renter on a rental; (d) Any interest, financing or carrying charges from credit extended on the rental of heavy equipment rental property, if stated separately; (e) Any taxes legally imposed directly on the renter which are stated separately; and - 83rd Session (2025) (f) Any other separately stated charges or fees, including, without limitation, any separately stated fee for recovery of property taxes imposed on heavy equipment rental property pursuant to this chapter.

Sec. 10.
"Renter" means a person who rents heavy equipment rental property from a heavy equipment rental company in this State.

Sec. 11.
1. Each person responsible for maintaining the records of a heavy equipment rental company shall: (a) Keep such records as may be necessary to determine the compliance of the heavy equipment rental company with the provisions of section 15 of this act; (b) Preserve such records for 5 years or until any litigation or prosecution related to compliance with section 15 of this act is finally determined, whichever is longer; and (c) Make such records available for inspection by the Department upon demand at reasonable times during regular business hours. 2. The Department may adopt regulations specifying the types of records which must be kept to determine the compliance of a heavy equipment rental company with the provisions of section 15 of this act.

Sec. 12.
To verify the accuracy of any report filed pursuant to section 15 of this act or, if no such report is filed, to determine the compliance of a heavy equipment rental company with section 15 of this act, the Department, or any person authorized in writing by the Department, may examine the books, papers and records of any person who is required to comply with section 15 of this act.

Sec. 13.
1. Except as otherwise provided in section 14 of this act, a heavy equipment rental company may impose a recovery fee in an amount not to exceed 2 percent of the rental charge for the rental of heavy equipment rental property to a renter. 2. The amount of any recovery fee imposed pursuant to subsection 1 must be separately stated on an invoice provided to a renter of heavy equipment rental property. 3. A heavy equipment rental company that imposes a recovery fee pursuant to subsection 1 shall: (a) Hold the amount of all recovery fees collected in a separate account; and (b) Use the money in the separate account only to offset any taxes imposed pursuant to this chapter on heavy equipment rental property. - 83rd Session (2025)

Sec. 14.
A heavy equipment rental company shall not charge a recovery fee pursuant to section 13 of this act for the rental of any heavy equipment rental property to: 1. The United States, its unincorporated agencies and instrumentalities; 2. Any incorporated agency or instrumentality of the United States wholly owned by the United States or by a corporation wholly owned by the United States; 3. The State of Nevada, its unincorporated agencies and instrumentalities; 4. Any county, city, district or other political subdivision of this State; and 5. Any other person or entity that this State is prohibited from taxing under the United States Constitution, laws or treaties of the United States or the Nevada Constitution.

Sec. 15.
Not later than August 15 of each calendar year, a heavy equipment rental company that imposes a recovery fee pursuant to section 13 of this act shall file with the Department, on a form prescribed by the Department, a report which separately states the amount of: 1. The recovery fees collected by the heavy equipment rental company during the immediately preceding fiscal year; and 2. The taxes imposed pursuant to this chapter on the heavy equipment rental property of the heavy equipment rental company for the immediately preceding fiscal year.

Sec. 16.
1. A person shall not: (a) Make, cause to be made or permit to be made any false or fraudulent report or false statement in any report with intent to defraud in violation of the requirements of subsection 3 of section 13 of this act; (b) Make, cause to be made or permit to be made any false entry in books, records or accounts with intent to defraud in violation of the requirements of subsection 3 of section 13 of this act; or (c) Keep, cause to be kept or permit to be kept more than one set of books, records or accounts with intent to defraud in violation of the requirements of subsection 3 of section 13 of this act. 2. Any person who violates the provisions of subsection 1 is guilty of a gross misdemeanor. Secs. 17 and 18. (Deleted by amendment.)

Sec. 19.
This act becomes effective on July 1, 2025. ~~~~~ - 83rd Session (2025)
