1 Includes sales of adult -use cannabis, medical cannabis, tangible personal property transferred for value, and all other amounts subject to Sales or Use Tax, as reported by licensed cannabis establishments. The monthly totals of Retail Cannabis Excise Tax may not equate to 10% of the Taxable Sales pursuant to NRS 372A.290(3) for various reasons, including, without limitation: 1) Taxable sales include more than retail sales of cannabis or cannabis products; 2) Adjustments may be made to prior reporting periods; 3) Some taxpayers may have delinquencies in reporting or remittance to the Department.

2 Due to simultaneous updates to Taxation and the Nevada State Controller systems, October 2024 accounting period was closed early in the month of December 2024 rather than the end of the month in order to meet deadlines. A significant amount of October generated revenues to be disbursed in later month.
