Instructions for Insurance Premium Tax Reconciliation (IPR) Return:

(Calculations will be performed for you and credits can be selected if you file this return on My Nevada Tax at <https://mynvtax.nv.gov>.)

Premium Insurance Tax

Line 1: Enter the additional Insurance Premiums written per quarter. The Nevada Department of Taxation requires written premiums reported quarterly if the combined Insurance Premium Tax and Industrial Insurance Tax owed exceeds \$2,000 per year. If the taxes owed are less than \$2,000, you are required to file one annual return to report all premiums written throughout the year. If premiums are reported quarterly and premium amounts need to be adjusted, the quarterly return where the adjustment is made must be amended. This number cannot be negative.

Line 2: Add all quarterly boxes above together and enter the additional (or yearly) Premiums/Considerations written.

Line 2a: Enter the amount of Line 2 related to the Sports and Entertainment Improvement District. **Informational only**.

Line 3: Enter the Gross Insurance Premium Tax owed. Multiply Line 2 by 3.5% or .035. If you are a Qualified Risk Retention Group, multiply Line 2 by 2% or .02.

Industrial Insurance Tax

Line 4: Enter the additional Industrial Premiums written per quarter. The Nevada Department of Taxation requires written premiums reported quarterly if the combined Insurance Premium Tax and Industrial Insurance Tax owed exceeds \$2,000 per year. If your combined tax owed is less than \$2,000, you are required to file one annual return to report all premiums written throughout the year. If premiums are reported quarterly and premium amounts need to be adjusted, the quarterly return where the adjustment is made must be amended. This number cannot be negative.

Line 5: Add all quarterly boxes above together and enter the additional (or yearly) Premiums/Considerations written.

Line 5a: Enter the amount of Line 5 related to the Sports and Entertainment Improvement District. **Informational only**.

Line 6: Enter the Gross Industrial Premium Tax owed. Multiply Line 5 by 3.5% or .035. If you are a Qualified Risk Retention Group, multiply Line 5 by 2% or .02.

Credits

Line 7: Enter the amount of Property/Casualty Guaranty Association Credit/Offset earned and used for Premium and Industrial Tax this year not previously reported on the quarterly returns per NRS 687A.

Schedule A - Life Insurance Premiums

Qualified: This column should include all premiums written and considerations received from life insurance contracts issued in conjunction with the funding of a pension, annuity, or profit-sharing plan qualified or exempt pursuant to sections 401, 403, 404, 408, 457, or 501 of the United States Internal Revenue Code.

Non-Qualified: This column should include all premiums written and considerations received from life insurance contracts not included in the Qualified column.

Total: This column should be the total of the Qualified and Non-Qualified for each line item.

Line 1: Enter all direct life insurance premiums written during the year (including policy, membership, and other fees and assessments) and all considerations for life insurance contracts received on account of policies and contracts covering property or risks located, resident, or to be performed in Nevada. The Total amount should match the amount listed on Line 29, Column 2 of the Schedule T and 11 Column 1 of the Nevada State Page.

Line 2: If you are domiciled in Nevada and doing business in states in which you are not licensed and do not pay Premium Tax, enter the life insurance premiums written in those states on this line; you must pay Nevada Premium Tax on these amounts as stipulated in NRS 680B.035.

Line 3: Enter all fees, charges, and other considerations for life insurance paid directly by the policyholder and not included on Line 1 above.

Line 4: Enter all dividends used to provide paid-up additions of life insurance or shorten the endowment period for life insurance contracts. Exchanging dividend proceeds for paid-up additions or to shorten the endowment period of a life insurance contract is consideration for insurance and a taxable event. The Total amount should match the amount listed on Line 11, Column 5 of the Nevada State Page.

Line 5: Enter the total of Lines 1 through 4.

Line 6: Enter all dividends paid in cash to the policyholder or left on deposit in the policyholder's name. The Total amount should match the amount listed on Line 11, Column 3 of the Nevada State Page.

Line 7: Enter all dividends applied to pay renewal premiums on the policyholder's behalf. The Total amount should match the amount listed on Line 11, Column 4 of the Nevada State Page.

Line 8: Enter all dividends used to provide paid-up additions of life insurance or shorten the endowment period for life insurance contracts. Once a dividend is declared and issued, the dividend becomes the property of the policyholder and is deductible to the insurer. The Total amount should match the amount listed on Line 11, Column 5 of the Nevada State Page.

Line 9: Enter the total of Lines 6 through 8.

Line 10: Enter any fees, charges, or other considerations included on Lines 1 through 3 above which you believe are not subject to taxation. Any amounts claimed on Line 10 **must** be explained on Line 11; attach additional pages if necessary. Any amounts claimed on Line 10 which are not explained on Line 11 will be disallowed, and penalty and interest will apply.

Line 11: Provide explanation(s) for any amount entered on Line 10 that you believe should not be subject to taxation. The Department of Taxation reserves the right to disallow any amounts on Line 10 if the explanation provided does not justify the deduction; penalty and interest will apply to any amounts disallowed.

Line 12: Subtract Line 9 and Line 10 from Line 5; this is your total Taxable Life Insurance Premiums. Transfer the amount shown in the Non-Qualified column to Line 1 of the Summary of Schedule on Page 2.

Schedule B - Accident & Health Premiums

Line 1: Enter all direct accident and health insurance premiums written during the year (including policy, membership, and other fees and assessments) and all considerations for accident and health insurance contracts received on account of policies and contracts covering property or risks located, resident, or to be performed in Nevada. For Health only companies, the amount entered should match the amount listed on Line 46, Column 1 of the Nevada State Page. For Life & Health companies the amount entered should match the amount listed on Line 29, Column 4 of the Schedule T.

Line 2: Enter all charges, fees, and considerations for accident and health insurance not paid directly by the policyholder and not included on Line 1 above.

Line 3: Enter all charges, fees, and considerations for accident and health insurance paid directly by the policyholder and not included on Line 1 above.

Line 4: If you are domiciled in Nevada and doing business in states in which you are not licensed and do not pay Premium Tax, enter the accident and health insurance premiums written in those states on this line; you must pay Nevada Premium Tax on these amounts as stipulated in NRS 680B.035.

Line 5: Enter the total of Lines 1 through 4.

Line 6: Enter the dollar amount of dividends paid or credited to policyholders on direct business written. **DO NOT INCLUDE DIVIDENDS PAID ON CONTRACTS ISSUED IN CONJUNCTION WITH TITLE XVIII 'MEDICARE' OR THE FEDERAL EMPLOYEES HEALTH BENEFIT PLAN.** The amount entered should match Line 46, Column 3 plus Line 46, Column 4 of the Nevada State Page.

Line 7: Enter the amount of premiums received from the Secretary of Health and Human Services pursuant to a contract entered pursuant to Section 1876 of the Social Security Act, 42 USC Sec. 1395mm. For Health only companies, the amount entered should match the amount shown on Line 29, Column 3 of the Schedule T.

Line 8: Enter the amount of premiums received pursuant to a contract entered into pursuant to the Federal Employees Health Benefit Plan, 5USC Sec. 8909f1. Provide proof of payments from the Office of Personnel Management (OPM). For Health only companies, the amount entered should match the amount shown on Line 29, Column 6 of the Schedule T.

Line 9: Enter any fees, charges, or other considerations included on Lines 1 through 3 above which you believe are not subject to taxation. Any amounts claimed on Line 9 **must** be explained in the on line 10; attach additional pages if necessary. Any amounts claimed on Line 9 which are not explained on Line 10 will be disallowed, and penalty and interest will apply.

Line 10: Provide explanation(s) for any amount entered on Line 9 that you believe should not be subject to taxation. The Department of Taxation reserves the right to disallow any amounts on Line 9 if the explanation provided does not justify the deduction; penalty and interest will apply to any amounts disallowed.

Line 11: Enter the total of Lines 6 through 9.

Line 12: Subtract Line 11 from Line 5 and enter the difference here; this is your total Taxable Accident & Health Premiums. Transfer the amount shown to Line 2 of the Summary of Schedule on Page 2.

Schedule C - Annuity Premiums

Annuity Election - If you are registered to sell annuities, select the annuity election that you are registered for with the Nevada Division of Insurance. Then, enter the date the annuity election was approved by the Commissioner.

Qualified: This column should include all premiums written and considerations received from life insurance contracts issued in conjunction with the funding of a pension, annuity, or profit-sharing plan qualified or exempt pursuant to sections 401, 403, 404, 408, 457, or 501 of the United States Internal Revenue Code.

Non-Qualified: This column should include all premiums written and considerations received from life insurance contracts not included in the Qualified column.

Total: This column should be the total of the Qualified and Non-Qualified for each line item.

Contracts taxed on Front-End Basis

Line 1: Enter the amount of premiums and considerations received on annuity contracts which are not taxed on a back-end basis as defined below. The Total amount should match the amount shown on Line 9 for Nevada of Supplemental Schedule 1 - Front-End Accounting on Page 6.

Line 2: Enter the amount of charges, fees, and considerations paid directly by the policyholder and not included on Line 1 above. The Total amount should match the amount shown on Line 5 for Nevada of Supplemental Schedule 1 - Front-End Accounting on Page 6.

Line 3: Enter the amount of premiums and considerations received for the purchase of immediate annuity. Back-end filers report immediate annuities here as well.

Line 4: Enter the total of Lines 1 through 3.

Contracts taxed on Back-End Basis

Back-End Annuity – NRS 680B.025(2) allows that “money accepted by a life insurer pursuant to an agreement which provides for an accumulation of money to purchase annuities at future dates may be considered as ‘total income derived from direct premiums written’ either upon receipt or upon the actual application of the money to the purchase of annuities, but any interest credited to money accumulated while under the latter alternative must also be included in ‘total income derived from direct premiums written,’ and any money taxed upon receipt, including any interest later credited thereto, is not subject to taxation upon the purchase of annuities. Each life insurer shall signify on its return covering premiums for the calendar year 1971 or for the first calendar year it transacts business in this State, whichever is later, its election between those two alternatives. Thereafter an insurer shall not change his or her election without the consent of the Commissioner.”

Line 5: Enter the total influx of funds received during the lifetime accumulation period for deferred annuities which annuitized during the tax year. This is a gross figure and should not include surrenders, dividends or fees charged against the contracts prior to annuitization. The Total amount should match the amount shown on Line 8 for Nevada of Supplemental Schedule 2 - Back-End Accounting on Page 6.

Line 6: Enter the amount of fees, charges and other considerations charged against accounts in the tax year. The Total amount should match the amount shown on Line 10 for Nevada of Supplemental Schedule 2 - Back-End Accounting on Page 6.

Line 7: Enter the total of Lines 5 and 6.
